10th September 2021

Dear Parents and Year 11 Students,

Valedictory Dinner

With only days left before the Year 11 2021 Valedictory on Thursday 16 September, we have included some important information for your evening.

We are asking that students arrive at the turning circle at 6.00pm, which allows time for any photographs to be taken before the coaches leave promptly at 6.15pm.

Coaches will arrive at Bliss Hotel at approximately 6.45pm and will be returning to school at approximately 10.45pm.

We ask parents to be considerate of local residents and to not park near the turning circle to avoid congestion both at drop off and pick up. If you could drop students off, and park away from the area that would be appreciated. The school car park will be open to parents from 5.30pm onwards.

As well of all of the preparations that will be well in hand, we strongly encourage everyone who is attending the event to complete a lateral flow test to make sure that the event is safe and enjoyable for everyone. Most students will be completing routine LFD tests at home following the guidance provided by College. If you do not have a supply and would like some, please get in touch to discuss this with us.

The staff are looking forward to seeing this fantastic year group celebrate their time at Burscough Priory Academy. If, however, there are any incidents which cause disruption to the evening, and we feel it necessary to send a child home then in this unlikely event, parents/carers will be wholly responsible for the financial implications. Any students arriving under the influence of alcohol will not be admitted to the event.

We wish all students to have a memorable and enjoyable evening on Thursday.

Regards

Mr K Collins

Valedictory Lead
