21st September 2021

Dear Parents,

Music Lessons - Burscough Priory Academy

As you are aware, your child will study Music as part of the National Curriculum at Burscough Priory Academy. In addition to the timetabled music classes there is also an exciting opportunity for your child to take part in additional music lessons during school time. These are organised by private music tutors who visit our school. They offer lessons on the following: guitar, ukulele, piano, keyboard, vocals, drums, violin, viola, cello, brass instruments and the flute, clarinet and saxophone. In some cases, instruments are provided with the lessons. This is a fabulous opportunity for your child.

Students are strongly advised to consider extra music lessons if they are following the subject in Years 9, 10 and 11.

Lessons take place during the school day and operate on a rotating timetable so that pupils do not miss the same lesson every week.

If you are interested in your son/daughter having additional music lessons, please contact the music tutors directly, using the following email addresses:

| | |
|--|---|
| Piano, keyboard, drums, singing and violin and viola lessons | Adam Christopher Contact email: adam@adamchristophermusic.com |
| Guitar and ukulele lessons | Simon Webster Contact email: prioryguitarlessons@gmail.com |
| Woodwind and Brass lessons | Lancashire Music Service Contact email: info@lancashiremusicclub.co.uk |

Should you need any additional advice, please do not hesitate to contact me at school.

Your faithfully,

V Nelson

Mrs Nelson
