Dear Parent,

End of Half Term

As we approach the end of the Spring Term we would like to give you an update on school life, some information for the final term of 2021 – 2022.

Year 11

As we finish for the holidays, we would like to congratulate Year 11 on their diligent approach to the exams and preparation sessions. This is a very special of young people and please make sure that they find the right balance between rest and revision over half term.

Year 11 are well aware of the expectation for them to continue to attend school full time after half term – the first week back is a busy week, full of preparation sessions and examinations. However, students will begin study leave after their English or PE exam on Friday 10 June. From this point, students will be expected to follow their bespoke timetables and attend school for their exams and the sessions that they are yet to sit their exams in. More information will be shared with the students and you in writing after half term.

Uniform Update

On Thursday 16 June we will welcome our prospective Year 7 parents to school. In preparation for this and at the same time, we will share the revised policy, expectations and information about purchasing uniform.

Operation Encompass

An additional attachment to this letter can be found which provides you with details regarding Operation Encompass. In short, this is a police and education safeguarding intervention system which ensures we are kept informed of any reported issues or concerns which have affected students. This allows us to be aware of the impact on students in school the following day and to provide support where required. Please do read through the letter and let us know if you have any questions.

Important Dates

Looking ahead to final half term of the academic year, please make a note of the following key events from the calendar that may be relevant to your child. More details will be shared once the plans are finalised for some additional events, such as Year 10 Geography field trips, that will also go ahead during the half term.
