9 September 2022

Dear Parent,

Chromebooks for Learning Project 2022 - 2023

We are pleased to be able to inform you that we will begin the roll out of our Chromebook for Learning Project late next week with Year 7. Many thanks to all of you who have signed up to the scheme and if you still wish to please can you contact our enquires line at your earliest convenience.

Bearing in mind that students will be placing the Chromebooks in their bags to bring them home, we strongly advise that you purchase a case or sleeve of some kind to protect your child's Chromebook on the way to and from school. If you do choose to purchase a case, you will need one which is Chromebook compatible and can carry an 11.6-inch screen. In line with expectations, students should carry a lightweight pair of headphones with their Chromebooks to enable them to watch video clips etc, if required, without disturbing others in the room.

Our expectation is that every student should bring their Chromebook to school each day fully charged and that the charging cables will remain at home as there is no facility to charge Chromebooks within school. The boxes that the Chromebooks arrived in need to be retained by us in case there are any issues that will necessitate us returning the Chromebooks to the manufacturer.

Also attached is an 'Acceptable Use Agreement' and some general information and advice which details our expectations regarding the use of the Chromebooks. We will be asking all students to sign a copy of the student agreement when the Chromebooks are handed out next week. Following the distribution of the Chromebooks students are expected to bring their fully charged Chromebook to school every day.

We will write again to you next week to outline the dates when the Chromebooks will be given out along with information for any student who has purchased a device independent of our scheme to allow for installation of the necessary management software and we expect the roll out to be complete by Wednesday 21 September.

If you have any further questions, please contact us using the email address below:
