Dear Parent,

Revision Guides – Year 11

In our efforts to ensure that all students maximise their potential in the GCSE examinations, we are writing to you detailing a list of recommended revision resources and key texts to support students with the development of their subject knowledge. All the texts recommended can be purchased via school and are on School Gateway.

This list has been compiled in response to requests from our staff, parents and students. It is our view that these are not compulsory purchases, as we cover all relevant material in lessons. For those who feel these would be beneficial, then we are happy to signpost you to what we would recommend, if this were something you would like to do. Purchasing copies allows extended study and personal annotation which would be not permitted on school copies. However, there is no expectation from us that students must purchase the revision texts listed.

The window for ordering through the cashless system will be open from Friday 28 July and will close on Friday 15 September. Once the window closes, we will begin to place the orders through our finance department, and we will confirm once the guides have been delivered.

Please note, you may only cancel an order and receive a refund if school is informed via our enquiries email by Friday 15 September.

If you have any further questions or queries, please do not hesitate to contact us. We hope you find the guidance useful.

Yours faithfully,

C Lyons
