Dear Parent,

Apprenticeships are becoming an increasingly popular choice for young people seeking to enter the workforce while gaining valuable skills and experience. They offer a unique opportunity to earn while you learn, combining practical work experience with structured training and qualifications.

We have arranged for Sarah Holland, from Lancashire WBL (Work Based Learning) Executive Forum, to present information regarding apprenticeships and T-Level qualifications as part of the ASK Programme. This will be held on Thursday 23 May at 4.30pm and will last approximately 30 minutes.

At the event, you and your child will have the chance to learn about:

Impartial apprenticeship advice covering:

- What is an apprenticeship?
- what do the levels mean?
- what industries you can get an apprenticeship in?
- Lancashire Employers
- live apprenticeship vacancies in the area
- how to find an apprenticeship.

Impartial T-Level advice covering:

- What is a T-level?
- how are they different to apprenticeships?
- the types of T-level courses
- nearest T-level providers

This event is informative and will provide you and your child with the opportunity to ask questions and gather valuable information to make informed decisions about their future careers.

We encourage you to attend the event with your child and take advantage of this valuable opportunity. If you wish to attend, please complete this short google form [Apprenticeship Information - Event registration](#)

If you have any questions or need further information, please contact me on enquiries@burscoughprioryacademy.org

Yours faithfully,

K Collins
