12 September 2024

Dear Parent,

We are writing to you to give you an update of the 2024-25 offer for students who are eligible for free school meals. This offer is planned with the support of our colleagues across the Trust to ensure that children who are eligible for free school meals, have access to nutritious food throughout the school day.

Breakfast Offer: While breakfast is not included in the free school meal allowance, we are committed to funding and supporting the students to be prepared for learning. School will fund a £0.65 allowance each morning for students to access breakfast items in our school kitchen. This offer includes items such as toast, crumpets, bagels, pancakes, waffles, and porridge. In addition, free fruit will be available each morning to complement their breakfast choice. Drinks cannot be purchased with this allowance as water is freely and readily available throughout the school day.

Lunch Offer: Each student will receive a daily meal allowance of £2.60 for lunch, ensuring access to a hot or cold nutritious meal. This funding is restricted to ensure it is used to buy a meal and it cannot be solely used for purchasing snacks and/or drinks.

We are continually working hard to improve the catering offer available to students. Over the course of the year, we will be developing a dedicated page on the school website informing parents of what is available and on offer.

If you have any queries, please do not hesitate to get in touch with us.

Yours faithfully,

W Watson
