Dear parent,

We trust that you found our Year 7 Tutor Evening a useful experience, which ran on Thursday 17th October. We truly value the collaborative approach between school, teacher and home to ensure we can fully support students through their learning journey at Burscough Priory Academy.

As discussed on the evening with your child's respective tutor, please find attached to this letter a copy of the Engagement in Learning report. We firmly believe that attendance and engagement in learning are the biggest indicator for academic success. National statistics demonstrate that school attendance below 90% has a detrimental impact on student's outcomes and we encourage all students to aim to maintain attendance above 96%.

If the attached report raises a question, please could you support your child by discussing the issues that are pertinent to the judgement? If you then feel you need to, contact us via the enquiries@burscoughprioryacademy.org email address.

Yours faithfully,

C Lyons
