EMERGENCY CONSENT AND ADMINISTRATION OF MEDICINE

I understand that all visits are insured in respect of legal liabilities (third party liability) but that my child has no personal accident cover unless I have been specifically advised of this in writing by Burscough Priory Academy. I also understand that any extension of insurance cover is my responsibility unless advised differently by Burscough Priory Academy.

Please note that personal accident cover and insurance for personal loss is provided for overseas residential visits.

Declaration By Parent/Carer

- In the case of an emergency I agree to my child being given any medical, surgical or dental treatment, including general anaesthetic and blood transfusion, as considered necessary by the medical authorities present.
- I am aware of the levels of insurance cover.
- I will ensure that I will update the school with any change in circumstances, emergency contact details and medical information as soon as possible.
- I agree to my child taking part in any educational study visits during the normal school day as part of their curriculum.
- I give consent to school staff to administer non-prescription medicine (e.g Paracetamol) in accordance with the school's Supporting Students with Medical Needs Policy and on condition that I/we have been contacted by telephone prior to each occasion of administration. I will inform the school immediately, in writing, if there are any changes in circumstances.
- I understand that I must deliver any non-prescription medicine personally to the General Office with dosage instructions and any relevant information. I also accept that if I wish the school to administer prescribed medication I will need to complete the Parental Agreement for School to Administer Prescribed Medicine consent form.

I accept that there is an inherent risk of injury in participation of adventurous outdoor activities. Risk can be reduced to acceptable levels by implementing appropriate risk assessments. Copies of written risk assessments are available on request from the school/centre.

I declare the above information is correct and give my permission to authorise medical treatment in an emergency. I consent to medical treatment if deemed necessary by the attending authority present and the use of anaesthetics being given in the case of an emergency.
