

# TRANSITIONS

## Moving on Up

Children and Family  
**Wellbeing**  
Service

Weekly sessions for children in Year 6 who are moving to High School in September.

The sessions aim to provide support and strategies for children who may find the transition difficult, struggle socially, lack confidence or have worries about starting High School.

Lots of fun activities to help children gain confidence, have fun, make new friends, and help manage their worries around High School.

Thursdays 10-11:30 at The Zone, Skelmersdale, WN8 6PZ.
