APPLYING TO WINSTANLEY

In most schools, Winstanley staff will give a short presentation to Year 11 students sometime in the term before Christmas. Students and their parents will then be invited to attend an Open Evening in order to look round the college and discuss course selection with staff.

You can apply to college and book an application interview via the college website www.winstanley.ac.uk. Offers of places are usually made at interview and enrolments take place in August, following the publication of GCSE results.

If you have any queries on courses or admissions, please contact the admissions team on **01695 628610** or admissions@winstanley.ac.uk

WINSTANLEY COLLEGE ENTRY POLICY

The college will calculate the number of student places available each year which allows us to maintain the quality of the student experience and offers will be made accordingly. Offers will normally be conditional upon you achieving certain GCSE results. Full details of our entry policy can be found on our website www.winstanley.ac.uk

SPECIAL CONSIDERATION

Requests for special consideration should normally be accompanied by support from the applicant's school and be made in writing to the Vice Principal, Mel Chadwick. Appeals for special consideration will be heard by the Admissions Panel if received before GCSE results are published. Only in exceptional circumstances is the college able to hear appeals made after GCSE results have been published. Please note that normally, the college will give preference to Year 11 school leavers.
