

Something New and Exciting

Year 8 Options

Picking some subjects to study in year 9.

What subjects do I have to do...

- **English**
- **Maths**
- **Science**
- **Spanish**
- **PE**
- **RE**
- **Geography**
- **History**
- **PSHCE**

What subjects can I choose to do...

Languages

- French

Creative & Performing Arts

- Drama
- Music

Technology

- Food Preparation and Nutrition
- Art & Design
- Computer Science
- Information Technology
- Design Technology

How many subjects can I choose?

- You have 2 option choices
- That means you will study two of the subjects on the list and none of the others
- If you want to study these subjects at GCSE you **MUST** opt for them in Year 9
- Any other subjects that are not on the list you will be studying as a core subject (eg PE or History)

Please Remember

- **Choose subjects that you are interested in not just ones your friends are taking – you could be studying them for three years**
- Ask the teachers who deliver these subjects what is involved.
- Ask Mr Collins your Director of Year for help.
- Look at the choices 2018 booklet on the website. Although it was for year 9, it has been shortened and the subject information will be correct for your choices this week.

You will be asked to rank your top 3 subjects 1-3 with 1 being the highest

Subject	Rank
Art & Design	
Computer Science	
Drama	
Design Technology	
Food Preparation and Nutrition	
French	
Information Technology	
Music	

What do we do today?

In order for us to put the right subjects in the right blocks we need to know what you want to do....

- **From the list of subjects please indicate in order of preference 1 to 3, with 1 being the highest, the options that you would like to study at GCSE level.**
- **Take the options form home with you. Discuss with parents what subjects you like and are interested in enough to want to take them for a GCSE. Talk to your teachers.**
