

SUMMER OF ATHLETICS

Super 8's and District Athletics Dominate

The summer sports season is always heralded in by the start of the Super 8's athletics series. A fantastic competition which allows our students to showcase their running, jumping and throwing disciplines at a brilliant athletics facility on the track at Edge Hill University.

The Super 8's is a team event which works on a points system for each event, with points awarded for times ran and the distances of jumps and throws. The points are collated and result in team overall performance rather than individual results in an event. A huge well done to the Y7 Boys, Y8/9 Boys and Y9/10 girls' teams who all finished in 3rd place and to the Y9/10 boys who finished in 2nd place!

We then had the pleasure of taking 60 students to the West Lancashire District Athletics for the day in July. This competition gave students the opportunity to complete as an individual in their event and as an overall team of athletes adding their points together. As always, our students gave it their all and there were some outstanding individual results highlighted below. Well done to all who took part!

DISTRICT AND COUNTY ROUNDERS FINALS

The rounders season started with a bang for our formidable Y9 team who started the summer raring to go having never lost a game in their first two years. After a jittery start to their tournament, they settled into their games and once again came away as district champions- an achievement that earned them a place in the prestigious Lancashire County Finals.

A few days later, the Y9 team made the long journey to Burnley to take on the best of Lancashire. They played some brilliant rounders and learnt a trick or two through the experience, finally finishing 6th out of over 40 schools in the county- a wonderful achievement.

The Y8's and 10's played well in their respective tournaments, both finishing in 3rd place.

Our Y7 team had a fantastic tournament with some outstanding batting, fielding and teamwork. They dominated their first ever tournament with confidence and determination and came away as district champions at their first attempt!

Rounders Results

Y7= 1st Place- West Lancashire Champions

Y8= 3rd Place

Y9= 1st Place- West Lancashire Champions

6th best in Lancashire!

Y10= 3rd Place

Well done to all!

SPORTS LEADERS OF THE FUTURE

A huge well done to the current Y8 students who took the time to apply for a prestigious Sports Leaders place on next years cohort. We had almost 60 applications for 20 places and the standard was unbelievably high from students. We are proud to have so many dedicated students who want to be an ambassador for our school and we look forward to watching our new leaders develop next year.

A big thank you as always goes to the current sports leaders in Y9, 10 and particularly Y11 who have represented our school so magnificently over the past year.

Congratulations to all students who have joined a club, represented our school or supported as a Sports Leader during 2025-26. You have achieved some magnificent things and look forward to doing it all again next year!
