SPORTS DAY- 2024

Thursday 20th June set the stage for our gloriously sunny Sports Day.

Students were competing in their four houses and gave their all in the events which included; tug of war, sprint relay, the cube, javelin, endurance challenge and rounders.

In the endurance event, teams had to work together to ensure there was always two runners working to collect tokens. Attenborough House dominated this event over all year groups.

In the gym, Priory's version of 'The Cube' was held, where teams rotated around four challenges designed to test patience, teamwork and a steady hand. During 'tower build' teams had to build the highest tower with blocks and have it stand for 3 seconds, on 'box throw' they were challenged to throw a weighted dice over a wall and into the box hidden behind it. There were frantic scenes in 'scatter' with students racing against the clock to collect all the balls and return them to the tub the fastest. Nerves were tested in 'ball roll' where the ball had to be rolled carefully along the bench and into the target zone without falling.

The sprint and javelin relays saw students use their tactical abilities to place students strategically in their order to achieve the fastest times in their races. And rounders matches allowed for great teamwork and tactical skills to be demonstrated in a game situation.

A firm favourite of the day was the 'Tug of War', not only did it require strength and determination but it saw students work incredibly well together, working as one to overpower their opponents.

The day culminated in the whole school races on the field with students competing for their house in the 100m finals or the 4 x 100m relay.

Staff also got involved, putting on an almighty show of strength in the Tug of War!

RESULTS

When all of the points for the day were added up the overall winners were **Frank House!**

A special mention to the teams below who were the highest scoring houses and teams per year;

Best House Per Year	Best individual Team per year
Year 7- Attenborough	Attenborough 1
Year 8- Turing	Turing 3
Year 9- Frank	Yousafzai 3
Year 10- Frank	Frank 1
