16th November 2020

Dear Parents,

Chromebook for Learning Project 2020 – Year 8

We are extremely pleased that so many of you have taken up the opportunity to opt into the Chromebook for Learning Project 2020. We hoped to have completed the roll out of devices by now but, unfortunately, as you well know, there has been a delay with the delivery. This delay is entirely beyond our control but please be assured that we have been working hard, on a daily basis, to ensure we receive the devices in the shortest time possible.

The delivery of the remaining Chromebooks is expected this week. This means that they can be configured and allocated to the students who have opted into the programme. Following this and towards the end of this week, we will contact you with confirmation that they are coming home. The importance of this deadline has been impressed on the company and especially in light of the upcoming Remote Learning Week.

Thank you for your patience, support and goodwill with regard to this – it is really appreciated. If you have any further queries about the Chromebook for Learning Project please contact us via enquiries@burscoughprioryacademy.org

Yours faithfully

L MacLaren
