11th December 2020

Dear Parents,

Attendance in School During Year 8 Remote Learning Week 2

After reviewing your child's engagement with their home learning during the first week of rota, we have identified that they need support to ensure that they do not fall behind with their learning.

The second week of remote learning will take place from Monday 14th December until Friday 18th December at 12.30pm. After talking to your child about their engagement and the support they need, we have made plans for your child to attend school during this week. This will be at the normal time from 8.45am until 3.15pm. They will have access to a computer and they will be supervised and supported to complete their remote learning in school. This is planned so that the students have a set routine, can overcome any difficulties around access to IT and they will have teacher support throughout the day.

Thank you for all of your support, before, during and for what will come, long after the current situation and restrictions cease to be in place. We look ahead to a time, hopefully in the spring, when our daily routines can resume a level of 'normality'. In the interim, we will do all we can to keep our students, staff and all our families safe whilst continuing to focus on the engagement and learning of our students.

In the meantime should you have any questions, please do not hesitate to contact us via enquiries@burscoughprioryacademy.org

Yours faithfully,

L. MacLaren

Mrs MacLaren
Head of School
