What are the benefits of claiming free school meals?

School meals are a good way to ensure that your child eats well at lunchtime, and they can also save you time and money.

Claiming free school meals also helps the school. We get extra funding, known as the 'pupil premium', for every eligible pupil who is registered.

What is the pupil premium?

The pupil premium grant is funding provided to schools to help all pupils reach their full potential, regardless of their background or financial situation.

Pupils may be eligible if they:

- Are registered for free school meals
- Have been registered for free school meals at any point since May 2011
- Are, or have been, in care
- Have parents in the armed forces

How to register for free school meals

If you think that you may be eligible, please complete the attached form and send it to the South Area Office directly at:

How is the pupil premium funding used?

The pupil premium is not used to pay for school meals. Schools use the funding to improve the attainment of pupils who are eligible.

You will find more information about how we use our pupil premium funding on our website.

How can I ensure the school gets the funding?

The more eligible pupils that are registered for free school meals, the more funding the school receives.

Registering does not mean your child has to take up free school meals if they don't want to.

You should still register for free school meals even if:

- Your child already receives universal infant free school meals
- You would rather your child had a different meal, such as a packed lunch
