Consultation Letter to Lower the school age

Dear Member of the Burscough Village Community,

Following the successful outcome of our school-based nursery application, I am writing to consult with you regarding our proposal to establish a Nursery for children aged two years at Burscough Village Primary School.

The Board of Governors is considering lowering the school entry age to two years, effective September 2026. This initiative includes the creation of an additional maintained nursery class for two-year-olds, which will operate alongside our current nursery provision for three- and four-year-old children.

The daily structure and routines will mirror those of the main school, and the new nursery will be housed in a purpose-built facility connected to our existing building.

This consultation period will conclude on Friday, March 27, 2026. The Governing Body will carefully review all feedback received before making a final recommendation regarding the implementation of a lowered school age for our Nursery.

If you require any further information, please do not hesitate to contact the school office.

Thank you for your ongoing support.

Yours Sincerely,
