

WELCOME TO KIDS' CLUB

Kids' Club is open for a breakfast session and an after school session. It is available for all children at Burscough Village Primary School. Kids' Club is held in the school hall and outside which is a safe, caring and friendly environment.

Breakfast Club : 7:45 am – 9:00 am - £4.00

Breakfast Club

When the children arrive in the morning, they are greeted by one of our caring Kids' Club staff members. The Kids' Club team take great care in catering for the children's needs to ensure that they are ready for the day ahead. Breakfast is provided with their likes and dislikes considered. A wide selection of healthy breakfast food is offered including cereals, fruit and yoghurts. During the morning the children have many options to play and enjoy activities with their friends. They have access to the outdoors including the sensory garden area to ensure that they are getting lots of fresh air before the school days starts.

After School Club

Our Kids' Club staff work closely with the year groups team to ensure a smooth transition for the children. We take into account the children's interests and plan our themed weeks. Recently the children have learnt all about England for St Georges Day; the most popular event included a trip to the forest fire pit to have hot chocolate and smores!
