### **3. Review of last meeting.**

*The ambassadors reviewed the previous meeting, discussing what we reviewed including – the library, the meal provision, the displays and accessibility etc. The ambassadors recalled what we found and discussed.*

### **4. Equality Ambassador Assembly**

*The ambassadors had a discussion about presenting their own assembly to the school. They decided that they wanted to focus on what equality was and how we promote equality in our school. They decided that once we had designed the assembly, we could then make it in to a video to put on the school website and social media.*

*Assembly plan:*

- What is equality?*
- How can people be treated unfairly or discriminated against?*
- Include videos and pictures to help explain this further.*
- Explain what we currently do at BVPS to promote equality?*
- Set a task for year groups to have a discussion in PSHE lessons of other ways we could promote equality.*

*Equality Ambassadors to facilitate this discussion in the following PSHE lesson.*

### **5. Assembly Review**

*- The ambassadors took part in a short pupil voice activity where they reviewed assemblies. The ambassadors are going to use some PSHE time to gather more information about children's thoughts on assemblies across school. (To share in the next meeting).*

## **Actions for Next Meeting**

- Ambassadors to facilitate a discussion in PSHE with class about assemblies and their views on them.
- Mrs Swift to make a basic template for the assembly for the ambassadors to then adapt.
