Headteacher: Mrs Anna Yates

Dear Applicant,

Thank you for considering Burscough Village Primary School as the next step in your career.

We are incredibly proud of our school and the warm, welcoming community that surrounds it. At BVPS, we believe that a great school is built not only by its children, but by the people who choose to be part of it. Every member of our team has something valuable to contribute, and together we work to give our children the very best opportunities and experiences.

Our values of **Aspire, Resilience, Teamwork, Respect** and **Independence** are at the heart of everything we do. They guide what we want for our children, but they also reflect on the kind of workplace we want BVPS to be: somewhere people feel valued, supported and encouraged to grow.

A place where careers can grow

One of the things I am most proud of as Headteacher is seeing people discover their potential and build their careers with us. One of our teachers began their BVPS journey in Kids Club during the COVID pandemic. What began as a role supporting children beyond the school day became the first step towards a teaching career. With encouragement, opportunity and determination, they progressed through teacher training, qualified and continued their career here. They are now in their fourth year of teaching at BVPS, inspiring the next generation of children in the same school where their own journey began.

That experience reflects what is special about being part of the BVPS family: we do not simply recruit people for the role they can do today. We welcome them into a supportive community, recognise their potential, invest in their development and help them discover where their career could take them.

Across our team, colleagues have developed through apprenticeships, professional training and opportunities to progress into different roles within school. We are proud to nurture our own people and to see them succeed.

Whether you are taking your first step into education, looking for a new direction, developing your skills or searching for your next professional challenge, we hope you can see a future for yourself at BVPS.

We are an ambitious, active and forward-looking school. We value people who bring enthusiasm, ideas and a willingness to get involved. Most importantly, we want colleagues who care about children and share our determination to help every child belong, achieve and succeed.

Whatever position you are considering, your role matters. When you join BVPS, you become part of a team that supports one another, celebrates together and understands that everyone contributes to making our school the special place it is.

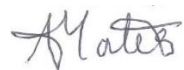

Choosing your next role is an important decision, and I hope this letter gives you a genuine sense of who we are and what we value. If you are looking for somewhere you can make a difference, feel part of a team and continue to grow, I would be delighted for you to consider joining us.

❤ **Independence** | ❤ **Resilience** | 🟡 **Teamwork** | 🟢 **Respect** | 💙 **Aspire**

Striving for the future

We look forward to receiving your application and, hopefully, welcoming you to Team BVPS.

Yours sincerely,

A handwritten signature in cursive script, appearing to read 'A Yates'.
