A Note from Mrs Jameson

It has been a beautiful week this week. The sight of sunshine has given us all a much needed boost and we have been able to get out on the field this week and enjoy the space around us.

What a fantastic World Book Day we had this year! The excitement in the air was amazing as Burton Agnes children and staff donned some truly spectacular costumes, showcasing their favourite book characters. A huge thank you to everyone who took part in celebrating our love of reading!

It was lovely to see children sharing stories with one another yesterday and engaging in delightful discussions about their favourite reads. The highlight of the day was our Top Trump card project, where students created their own cards featuring beloved book characters. Not only did this spark creativity, but it also fostered great conversations about the stories behind these characters.

For us as a school, World Book Day is about promoting a love for reading. We talked with the children yesterday about the benefits of reading and encouraged them to read at least ten minutes every day. It doesn't matter what they are reading, so long as they are reading.

Friday News

Parent Consultation Evening

Thank you to all who attended Parents’ Evening last week! It was fantastic to catch up and share insights about your child's progress. We truly value the partnership we have with you, as it plays a vital role in ensuring the best outcomes for our children.

As this was our last formal Parents’ Evening of the year, the next significant update regarding your child’s learning will come in the form of the annual report to parents in July. In addition to that we will be holding a Parents’ Afternoon towards the end of the summer term, so do keep an eye out for the details!

In the meantime, if you have any concerns or queries, please don’t hesitate to reach out to your child’s class teacher as the first point of contact. They are always more than happy to have a chat with you. Thank you once again for your continued support!

Times of the day

We would like to take this opportunity to remind parents about the importance of punctuality in our school day. Our school gates open at 8.50 am, allowing all children ample time to settle in and be ready for learning by 8.55 am. Timely arrival is crucial, as arriving late can result in children missing out on essential instructions and valuable learning opportunities. Even arriving 5 minutes late every day means over the week children have missed out on 25 minutes of school time.

We have also observed that an increasing number of children are not being collected promptly at 3.20 pm. We kindly ask that all parents ensure they are on time for collection to provide a smooth transition at the end of the school day.

Should there be any changes regarding who will be picking your child up, we kindly ask that you inform the school office in advance. Thank you for your continued support.

Get Creative with Our Easter Art Competition!

The School Council is thrilled to announce an Easter Art Competition . Your art work needs to be around A4 sized using any media you fancy—paint, collage, or even digital art! Just be sure to stick to the Easter theme. Please submit your masterpieces to Mrs Young or any School Council member by Monday, 31st March. We can’t wait to see your creations!

Get Ready to Celebrate Red Nose Day!

Join us on Friday, 21st March, as we celebrate 40 years of Comic Relief! It’s time to get your funny bone tickling and help us raise money for this fabulous cause. Why not dress in 80s clothes and party like it’s 1985, or pop on your PJs, wear your clothes back to front, go wild with your hair – anything goes when you put on your red nose! So, save the date and let's do something funny for money together! In return for dressing up, please bring a donation for this worthwhile charity.

Celebrating British Science Week

Next week in school, we will be celebrating British Science Week. The theme this year is 'Adapt and Change'. Mrs Short and Mrs Young have been busy collaborating with parents and various visitors to put together an engaging week of scientific exploration. Science is vital to understanding the world we live in, and we are excited to delve deeper into this fascinating subject. Through a range of activities and presentations, our children will have the opportunity to discover the importance of adaptability in scientific processes and the impact of change in our environment. We look forward to an inspiring week ahead.

Parking

Please do not park or drop off on the Zig Zags

Thank you

Pupil of the Week

This week

Amelia Class 4

Previous week

Finley Class 3

Rowen Class 1

Goodbyes

Today we said goodbye to 2 of our wonderful pupils.

We send our very best wishes and lots of luck to Finley in Class 3 who is moving away from the area. Although Finley has only been with us a short time, we are thrilled with the progress he has made during his time with us.

We are also sending good luck wishes to Iris. Iris has been at Burton Agnes since nursery. Iris is moving to Martongate School to get to know other children who will be transitioning to Headlands with her. Iris has been an active member of our school. As a librarian, House Captain, member of the Worship Group and all round superstar, we are really going to miss her.

We hope that Finley and Iris take our school values of Friendship care and trust with them to their new schools and that they continue to be the best that they can be.

Easter Bingo

In aid of Friends of Burton Agnes
