BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

It was a real pleasure to walk around school this week and see the fabulous and exciting learning that is taking place in school. In all of the classrooms the children's attitudes to learning and behaviour has been first class.

From September OFSTED are really focusing on ensuring that schools deliver a broad and balanced curriculum and that they don't narrow the children's learning to focus on sats outcomes. I have always been proud of the fact that we always ensure that the children are provided with rich learning opportunities, in all subjects. From Beanstalks growing in Class 1, amazing Jack and the Beanstalk dances in class 2, making penguins that are insulated and testing them with thermometers in class 3 to modeling coastlines out of paper mache in

Class 4 for their weathering and erosion work, our curriculum is certainly enjoyable and purposeful.

FOBAS Fun

What an enjoyable evening we had on Wednesday when the children stayed behind after school to enjoy the FOBAS party. The children enjoyed taking part in traditional party games and dancing and eating a party tea. Thank you for supporting the event. FOBAS raised £155 towards the Playground project. A very big thank you to the FOBAS ladies for taking the time to put on a very well organized event and the staff that gave up their time to help out too.
