# Friday News

## A note from Mrs Jameson

Welcome back to the second half of the Spring term. I hope that you all had an enjoyable week and were able to make the most of the fabulous weather that we experienced. The children have made a great start back to their learning and we are looking forward to another busy and exciting half term ahead of us all.

This week in school we have launched a new theme as part of our Happy Centered Schools Programme, with the children thinking about self-confidence. Over the next few weeks children will be exploring how they feel about themselves, what having confidence is and how they can use this to seize opportunities. This, over time, should really help to develop the children's resilience and help them to cope and believe in themselves when things get tough. Great skills for now and the future.

## Inspired Learning

This week the children in Class 4 have been using the great outdoors to inspire their literacy work. The children took advantage of the beautiful weather and headed to Burton Agnes Hall. The children spent time looking and listening and generating feelings and emotions which they wrote about. The children were certainly inspired and the level of descriptive

language that was generated as a result of the experience was of a very high standard. Have a look at this written by Anya.

*'There were trees that reached the stars all along the old path, the old dry leaves flooding the floor and the delicate snowdrops all around, spreading their dreamy fragrance all around the wood.'*

## World Book Day Thursday 7th March

Don't forget next Thursday is World Book Day. We will be celebrating the wonderful world of books by asking your child to come dressed as their favourite character from a book.

Monday 1st April	Non-Uniform Day
Tuesday 2nd April	Easter Service at church 2pm followed by Easter Egg stravaganza
Thursday 4th April	Class 3 visit to Sewerby
Friday 5th April	School Closes for Easter
Tuesday 23rd April	School opens

## Super Scientists

The children in Class 1 had a St David's Day themed Science lesson yesterday as they learnt about flowers. The children used their skills of observation and learnt about the different parts of a flower. They also carried out an experiment to help them understand how flowers take up water to keep them alive. The children developed their scientific vocabulary and learnt how to look carefully.

## Noise Academy

If you would like to listen to the music our Year 6 DJ's produced please go to  
<https://soundcloud.com/noiseacademyuk/sets/burton-agnes-primary>

## Menu change

Next week Thursdays menu will be fish, chips, baked beans and sweetcorn followed by iced baked sponge. Friday is sausage, chips, peas and beans followed by chocolate crunch.

Mrs Blackburn who leads the kitchen at Nafferton is retiring and we would like to thank her for all the delicious meals she has cooked and wish her a happy retirement.
