BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

I am starting this week's newsletter with some fantastic news. Mrs Grainger's baby arrived last night! I sure that you will all want to join me in welcoming Jacob Thomas Grainger to the world. We are all sending our love and very best wishes to Mr and Mrs Grainger.

It's hard to believe that it is April already and that we only have one week left of our Spring Term. This morning Class 1 have taken great pleasure in taking part in the tradition of April Fool's Day. I've been called down to sort out slime that was apparently pouring out of the taps, I've had a spider on my back and apparently there are slugs all over the floor in class 1. Very funny Class 1!

This week in school it has continued to be a challenging week. I am pleased to report that our covid spike seems to have slowed down and children and staff are returning back to school. Staff in school have been amazing and have worked incredibly hard to ensure that school has stayed open. I can't thank them enough. We have had so much disruption to school in the past couple of years and we are all determined to carry on and make things as normal as possible.

Yesterday, the government announced some new changes to testing and isolating. We have not yet received any guidance from the Local Authority or Public Health England advising us to make any changes to our covid contingency planning, so until we do, we will carry on with our isolation procedures as we have been doing. Thank you for your continued support with this.

Easter Activities

Today you should have received a letter detailing the plans for Easter activities in school next week. I have included them below also.

Monday 4th April – non uniform day. Your child may come to school in clothes of their choice, however, the penalty is to provide us with an Easter egg which can be used in our Easter Raffle which will be drawn on the last day of term. Tickets will cost a £1 per strip and will be on sale on the yard next week. Money raised will be added to school funds to help subsidise the cost of our school trips and visitors into school.

Cross Country Competition

Last Friday evening, some of the children in KS2 took part in a cross country run that was hosted by Nafferton Primary School. It was a perfect evening for a run with the sun shining and warmth in the air. All competitors that took part did really well and we even managed to sneak in a gold medal! Well done and congratulations to....

Harry B 1st in boys Y3/4
Lara B 4th in girls Y5/6
Seren 10th in girls Y5/6
Edward 11th in Y5/6 boys.

A big thank you to Mrs Jackson for helping out at the event on behalf of school.

On Saturday, Hunter, Hector and Otilie in KS1, also took part in a cross country competition again, with fantastic results. Hector achieved silver and Otilie achieved bronze. It makes me so proud of our little school.

Sporting After School Clubs

Today, you should have received a letter about the sports clubs that will be running after the Easter holidays. We hope that you have enjoyed the variety of activities that we have been able to offer. Please send your club requests form back to school as soon as you can.

Please note that sports clubs do not run the first week and last week of a term. Therefore next week there will not be any sports clubs running.

PE kits

If you have borrowed any PE kits or team kits please can they be returned to school ASAP. Thank you

Have a lovely weekend
