BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

Happy New year to you all and Happy New Term. What a pleasure it has been to see the children all looking so well and refreshed from their Christmas break. The children all seemed very happy to be back in school and I have been impressed with how quickly they have all settled back in to their work and school life.

As always we have an exciting term ahead of us with the children's learning taking place under the theme of 'Our Amazing Planet'. In the next few days we will be sending home the learning overviews for the term. This should all give you a flavour of what the children will be learning about over the coming weeks and how you can support them at home with this. In addition please may we ask that you continue to support your child at home with their learning through regular reading, the completing of homework, learn by heart facts for maths and spellings. We know that this is a big ask of you as home life is busy enough but support at home does make a HUGE difference to how well your child learns.

Welcome

The new year has brought some new children to Burton Agnes. We would like to welcome Hayden to Year 6 and Josh and Max to Nursery. We hope that they will be very happy here with us. We also welcome back Mrs Hamlet to Burton Agnes who has been on her maternity leave. Mrs Hamlet will be back working in Class 1 every Wednesday.

To help the children save up for some books we will be operating a Book Fair Saving Scheme. This will help spread the cost of the purchase and also promote the idea with the children of the benefits of saving up for something special.

Today your child will bring a letter home all about this. Any further question please see Mrs Claxton who will be happy to help.

The school doors open at 8.55 am and learning begins. Please make sure your child is in school for the start of the day.
