BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

The last half term of this academic year has got off to a fantastic start. The children returned from their half term break looking refreshed, healthy and ready for the final furlong! I hope that you all enjoyed precious family time and managed to take in some of the jubilee celebrations that were taking place.

The last half term of the school year is an important one where the children are consolidating all the learning that has taken place across the year, yet still becoming involved in new learning to prepare them for next year. Please can we stress to you the importance of having your child in school every day and not to be tempted to take holidays in term time. Every day is a learning day and we really don't want your child to miss out. The same applies to getting your child to school on time. 5 minutes here and there do add up.

Sports Day

On Friday 17th June we will be holding our annual Sports Day which you are welcome to join us for. This will take place on the school field and races will commence at 1.30 pm. Please can we ask that you don't arrive any earlier than 1.25 pm to allow us time to get set up as the children's lunch time doesn't finish until 1.00pm. It's a tight schedule. Please note that due to security reasons and ensuring our children are safe, we will be locking the school gates shortly after the start. Any latecomers will have to wait for access via school. Please come along and support us and let's hope the weather is on our side. A text message will be sent if it is cancelled. Please understand that we can't control the weather and we have to make a sensible guess as to whether to go ahead or not. If we do cancel we will endeavour to reschedule before the end of term. Please can we also ask that you let us look after your children and remind them to stay seated with their class. All you need to do is sit back and enjoy it. If you are bringing little ones, please can we ask that they stay away from the track to avoid accidents.

Sun protection

Hopefully the warmer weather is on its way and I can finally put my winter coat away!

With this in mind please can we remind you of how we can help keep our children safe on warmer days in school.

- Send your child to school with a sun hat. A baseball type cap with a peak and fabric to keep the sun off the back of the neck are ideal. Please make sure it is named.
- Please apply 8 hour sun cream **before** your child comes to school. This is the best approach.
- Staff are not allowed to apply sun cream, so your child will need to be able to do this themselves. If you are not applying at home, the sun cream needs to be in a named bottle.
- Send in fresh water, every day in a named bottle.

Friday 15th July	Class 4 Special Mentions
Friday 22nd July	Leavers' Service 11am at church Whole school family picnic School Closes
Monday 5th September	Staff Training Day
Tuesday 6th September	School opens

Singing at the Spa

The children are busy in school learning songs to sing at the Little and Big Sing at Brid Spa. The children in Class 2 will be singing on Monday 4th July in the morning and the children in Class 3 will be singing on Wednesday 6th July in the afternoon. We will send out more details next week. We have not heard as yet if parents are allowed to watch as they have done in the past.

Class 1 Diary Date

It is usual practice that we hold a meeting for the parents who currently have children in Reception to meet with Mrs Claxton. This is so that they can learn a little bit more about the transition from Reception in to Year one. This meeting will take place in school on Tuesday 5th July at 2.40pm. This meeting is always welcomed and we look forward to seeing you in school.

Polite Request

Please can we remind you not to let your children play on the field or on the play equipment at the end of the school day. Thank you

We have also had a request from our local residents not to park your cars in front of their garages. The land next to the school car park is not ours but they do kindly let us park there if we park close to the fence. We don't want to abuse this kindness by blocking their garages which they need access to at all times. Thank you

Have a lovely weekend.
