# Friday News

## A note from Mrs Jameson

There has been an overwhelming sense of Community in school this week and a strong feeling of our school values of **care, trust and friendship**. Last Friday lots of you were able to join us for our Harvest Service at St Martins Church. It was a lovely occasion and the children did the most fantastic job of celebrating Harvest. Led beautifully by the Worship Group the children echoed the Christian value that we are learning

about in school at the moment which is **thankfulness**. All of the children were confident and entertaining and gave us their own take on Harvest.

A huge thank you to everyone for the very generous contributions of food and produce which was shared amongst the older members of our community. We have received some lovely letters of thanks which have been shared with the children.

Last night we had a wonderful evening in school with lots of you attending the Harvest Supper. The FOBAS ladies worked really hard to transform the school hall and provide some amazing and tasty food. There was a lovely atmosphere. With the sale of tickets and raffle tickets FOBAS raised a magnificent £ 1,607 . Thank you FOBAS for your hard work and everyone for their support be it by attending or by buying raffle tickets.

## Photographs

The school photographer has been in today and your child will have come home with a proof of their photo. If you would like to order a picture please can we encourage you to order via the Tempest website. You will get more choice in terms of photograph packages and sizes but also school receives 30% commission for website orders rather than 10% if done through school. Thank you.

## Well done Class 3

Today it was class threes turn to share with us some new knowledge relating to Black History month. I have been really impressed with their knowledge about Martin Luther King Jr and how he helped us in todays world. The children's geographical skills were very impressive too as they talked about places in America and found them on a map.

## Trim trail update

Due to bad weather the trim trail fitting has been postponed until Monday and Tuesday next week. Don't forget it is out of bounds before and after school. Thank you.

## Author visit

As part of the East Riding Festival of Words we have been able to organise for a published author to visit Burton Agnes. On Thursday afternoon we will be visited by James Nicol who write a series of books on witchy trails and tribulations and magical mysteries. He will be working with the children in KS2 and is offering his new book to the children, which he will sign, at a discounted price of £5. Your child should have brought a letter about this but if it has been misplaced feel free to send money in to school in a named envelope before Thursday. We are looking forward to this exciting experience to inspire our reading and writing skills.

## Flu vaccine

On Monday the children in reception up to Year 6 will be having their flu nasal vaccine. (if you have given permission.) There is a great video and information to share with your child about this and why it is important to have. Visit <https://www.nhs.uk/Video/Pages/flu-heros-nasal-flu-spray-for-kids.aspx>.

## Community Week

Thank you if you have sent a reply to school offering to help out for community week. We offer community week every other year in school and it has always been a very special event where the children get to experience lots of activities, learn new skills and enjoy taking part in lots of activities. We know that we have lots of hidden treasures in our community with many skills and talents to offer us. If you haven't yet offered your help, please do, as Community week only really works with your help. Maybe you can get the children to lay bricks, craft, talk about your job.....anything! If you think you might be able to help us please fill out the slip or have a chat with Mrs Lee. We need to get a timetable sorted next week as Community week starts 21st October. Thank you.
