BURTON AGNES CE PRIMARY SCHOOL

# Friday News

## A Note from Mrs Jameson

With just a few days to go until the 'SATs' (the statutory tests all children are required to sit at the end of key stage 2), our Year 6 children deserve praise for all the hard work they have put in to preparing for these. They can feel confident that, whatever the outcome, they will have done their best and that's the most important thing. This weekend they need to rest and relax so they are ready to show what they know. They have worked so hard throughout their time in school and it is their chance to showcase their knowledge. Whatever we all think about the SATs, and I have my own opinion, we have to do them so we may as well do them to the best of our ability. I am sure you will want to join me in wishing all of our Year 6 pupils the very best of luck. Over the next few weeks the Year 2 children will be carrying out their tests too but these are much more low key.

## A Royal Celebration

On Friday 18th May the Children will be having a special lunch to celebrate the Royal Wedding of Prince Harry and Meghan Markle. If you haven't ordered a special lunch and would still like to then please let the school office know. Since we are celebrating a special wedding we thought it might be nice if the children came in their special clothes too. Please ensure that shoes are appropriate for playing in and clothes are not too special that you don't mind them getting messed up with general school 'stuff'.

## Sunny days in school

It has been lovely this week to have enjoyed the sunshine in school. Please can we remind you to send your child with a sun hat. We are happy for sun cream to be sent in to school but it needs to be in a named bottle and is only for the use of your child. We are not able to apply it. If your child is in EYFS or Class 2 it is best if your child hands it to the teacher. The best option is to put the 8 hour cream on in a morning before your child comes to school.

## Learning in Class 1

Over the past few weeks the children in class 1 have been learning about floating and sinking and waterproof materials.

They used their knowledge from their investigations to design and make a pirate ship that needed to float.

The children worked really hard to ensure that their finished article looked just like the ones they designed. With varying degrees of success the children tested their ships and then evaluated their work with ways in which they could improve it if they made them again.

## Carlton Lodge

A meeting will be held on Tuesday 22nd May at 3.20pm in Class 4 for parents of children who will be attending Carlton Lodge. This will give you an opportunity to hear about arrangements, accommodation and kit! Class 4 Children are welcome also.

## Fathers Day Raffle

We have the perfect gift for Fathers Day—a BOSCH 650W Hammer Drill and it could be yours to gift if you take part in or Fathers Day Raffle. Tickets are on sale from the Office at the cost of £1 per strip until Thursday 7th June. The raffle will be drawn in Special Mentions on Friday 8th June. All money will be put in to school funds. Thank you for your support.

## Home times

We have spoken to the children about playing with equipment at home time. This includes footballs, the tyres and the trim trail. Please support us with this by not letting your child play with these. Thank you

In the interests of keeping your child safe, please can we also ask if someone else is collecting your child from school, that you let us know. If the person collecting your child is under the age of 14 then you need to put in writing that you approve this arrangement. As a school we would prefer it if the person collecting was over the age of 14.

## Art Waves Festival

This weekend the Art Waves festival returns to Bridlington showcasing Traditional, Digital, Contemporary and Urban art through a vibrant programme of activities, workshops, exhibitions and much more. It looks like a fantastic event for the whole family. For the full programme check out the Brid Spa website.
