# Friday News

## A note from Mrs. Jameson

During the course of the week the children in school have been remembering, thinking and paying respect to all the people who have lost their lives while serving in the armed forces.

Learning about Remembrance is part of our British Values and has been a tradition since the end of the First World War. It's also celebrated in many countries across the globe. People from different backgrounds, cultures, and religions come together to honour Remembrance Day. Yesterday we held a minute's silence to remember the bravery and courage of those who fought in the World Wars. We also commemorated all those who have served in the military since, and those who are serving in the Army, Navy and Air Force today.

Many thanks to everyone who has supported the British Legion Poppy appeal. We will share with you how much we raised as a school in due course.

## Children in Need

This year Children in Need Day is **Friday 19th November**.

Our theme is 'wear something funny for money'. You could come to school in fancy dress, you could have your clothes on backwards, you might have crazy hair. It's totally up to you. All we ask in return is a donation of £1 which will be donated to the children in Need Appeal.

## Championship performance

Congratulations to our hockey players who took part in the latest Drifffield and Wolds Sports Partnership Hockey Tournament on Tuesday evening and won!

I was so impressed by the interest we had for the event and for the very first time ever, we had enough players to field, not just one but two teams. Skilful play, good communication and tremendous team spirit were on display and allowed both the Year 3/4 team and the 5/6 team to win their leagues. A double victory! We have a super trophy on display in school, a very happy set of hockey players and a very proud head teacher. Many thanks to Miss Clubley and Mrs Thompson who went along to staff the match and to parents for their tremendous enthusiasm and support.

Well done to Seren, Lara, Edward, Jasmine, Jacob, Freddie, Amelia, Maisie, Betsy, Carson,

Arthur, Joshua, Harry, Chloe, Felicity, Oscar and Emma.

## Consultation on Published Admission Numbers at Burton Agnes CE Primary School

We are looking to change our Published Admission numbers at Burton Agnes from 14 per year group to 15 per year group. As part of this process we have to consult with parents and the wider community.

Details of the change and the reason why we are requesting the change are detailed by following the link below to our website. There is also an option for you to complete an online form with the local authority so that you can express your views on this.

## FOBAS raffle

FOBAS are requesting donations of raffle prizes. These will be put into a Christmas raffle to raise money for the Pantomime. Any donations can be left in the front reception area. Thank you

## Parent Consultations

Many thanks to everyone for taking the time to chat with their child's class teachers this week about your children and their progress. We hope that you found the experience beneficial. Whilst we appreciate that a face to face meeting is preferable, we very much value this time that we get to chat with you so that we can all work together to support the learning and development of your child.

If you were unable to chat to your child's teacher please contact school to rebook your appointment.

Thank you

## Stepping back in time

This week the children in KS2 took part in a Victorian Workshop. On Monday and Thursday, John the Historian from Historical Interpretations visited school to talk to the children about all things Victorian. The children learnt lots of facts, looked at artefacts from the Victorian period and learnt about what the Victorians did for us here in Burton Agnes. The children were excited about their days. Thank you for supporting this event with your voluntary contributions. Activities such as this really bring the children's learning to life and without your support they cannot be possible.

*Have a lovely weekend*
