BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

This week the children in the Year 6 demonstrated their leadership skills by pitching to the rest of the school why they should be voted to be their House Captain. The children had taken the time to prepare speeches using all of their powers of persuasion to explain to their peers why they would make great house captains. I was very impressed with how clearly and confidently the children delivered their words and the speeches they wrote were of a very high standard. I'm glad it wasn't up to me to choose the winners.

Congratulations to Abi and Alice who had equal votes for St Martin, Millie who is captain for St Cecilia, Jamie who was voted in for St Peter and Finn who is representing St John. We are looking forward to seeing these children leading their houses as the year goes on.

Solving problems

The children in KS2 have been learning all about how the pyramids were built. To help them understand how utterly amazing the creation of the pyramids were the children made their own tetrahedrons. Working together the children employed a variety of skills such as communication, resilience, perseverance and team work to create their own pyramid. Once created the children came together to make one giant whole school structure.

Appeal for resources

Our art club are hoping to make some story sacks for the younger children in school to take home and use. If you have any of the following that you no longer require we would love to have them...

- Old bean bags (for the polystyrene balls)
- Old pillows/cushions for stuffing
- Clean socks
- Old gloves
- Large pieces of fur, fabric
- Buttons

Budding Scientists

The children in Reception are really starting to settle in to school life. They have been busy developing their science learning this week by thinking about the world around them. The children used scientific language to sort a set of objects in to whether they were living or have never lived. The children observed the items carefully and talked about why they sorted them in a particular way.

Uniform Exchange

We have been made aware that Christ Church Furniture Warehouse are setting up a uniform exchange. Here you can drop off any unwanted school uniform or alternatively go and collect some if you need any. A brilliant idea that is easy on the purse and good for the environment.

For more details contact Christ Church Furniture Warehouse Promenade/York Road, Bridlington (Nr leisure World)

Dates For Diaries

Thursday 12 th December	EYFS and KS1 Nativity 10 am - grown ups only
Friday 13 th December	Christmas Carol Service at church 2pm
Wednesday 18 th December	KS2 Christmas Party pm
Thursday 19 th December	KS1 Christmas Party pm
Friday 20 th December	School closes for Christmas

Class 3's Vocab Lab

It was lovely to spend some time in class 3 this week watching them take part in an activity to help them learn the technical vocabulary associated with the Ancient Egyptians. The children had to work in teams to read words and match them to their meaning. They were pretty good. The children have been using these words all week through their conversations and in their written work. Ask them to tell you about them at home.

Pupil of the Week

Each Friday in school we will be awarding a 'Pupil of the Week'. This is a very special awarded that will be given to the child that the whole school feel has made a difference during the week. They will receive a special Certificate and a trophy to have for the week. This will replace the Head teachers awards that we have awarded in the past. We feel that one special award will have much more impact on recognising pupils who have given their all that week.
