

**Friday 14th
October 2022**

It's been a very busy week this week at Burton Agnes with lots of exciting learning taking place all around school. This week's newsletter will focus on all of the wonderful things that we have been doing.

Harvest Festival

Last Friday lots of you were able to join us for our Harvest Service at St Martin's Church. It was a lovely occasion and the children did the most fantastic job of celebrating Harvest. Led beautifully by three of our year 6 pupils, all of the children gave confident and entertaining performances thanking God for the Harvest.

A huge thank you to everyone for the very generous contributions of food and produce which were shared amongst the members of our community and food banks in Bridlington and Driffield. We have received some lovely letters of thanks which have been shared with the children.

Black History Month

For the whole of October, Burton Agnes will be taking part in Black History Month. Across the school children will be learning about a significant black person and how they have impacted on today's society. The knowledge that they learn will then be shared with the rest of the school through a special assembly.

This week the children in class 4 have been learning and sharing their knowledge relating to the tennis player Serena Williams.

Class 3 Anglo Saxon Day

The children in Class 3 stepped back in time on Tuesday as they took part in an Anglo Saxon Day to help bring their learning about this period in history to life.

Sporting News

Last week some of the children from Burton Agnes took part in the KS 2 Biathlon at Driffield school. Around 70 children took part from various schools in the Driffield Cluster. The water was calm in the pool while conditions outside got worse for the later runners. A very big well done to Chloe who was placed 6th and Edward who came third place and received a medal.

Congratulations also to Piper in Year 1 who took part in the KS1 Cross Country Competition at Driffield Junior school last weekend. It was her first ever cross country and she did so well.

We are proud of you all.

Have a lovely weekend

The session is aimed at children under the age of seven and lasts around 35 minutes. Come and listen to a trio of Hallé musicians and a narrator tell the stories of 'The Hallé Bears' and 'The Further Adventures of Jack and the Beanstalk' and don't forget to bring your teddy!
