BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

For the past two weeks the Children at Burton Agnes Primary School have been taking part in Black History Month. Across the school children have been learning about significant black people and how they have impacted on today's society.

Yesterday the children came together on Teams to share their knowledge with the rest of the school. We learnt about Wangari Maathai and her trees of peace, Marcus Rashford and his work to support families, Desmond Tutu and his work on equality and Archbishop John Sentamu and his work in our community and his passion for fairness and equality for all.

The children have worked hard to research these people and did a fantastic job of sharing their knowledge with the rest of the school. Well done everyone.

A great start to the hockey season

On Tuesday night the hockey team went along to Driffield school to take part in the first match of the new season. I was really impressed with how well the team played and supported each other, considering it was the first time they had played together as a team. Maisie was a great team captain and motivated her players to come a very respectable second place. The team won all but one of their matches and

only let one goal in during the whole tournament. A huge well done to Jasmine, Betsy, Maisie, Seren, Lara, Chloe, Edward, Freddie and Harry. Many thanks to the support we received from parents who cheered the team on.

We are hoping to raise enough money to pay for upgrading the markings on the playground, which every child in school will benefit from.

Fobas would also like your child to take part in a Harvest colouring competition, to design a picture to go on top of the Harvest Supper food boxes. There is an image attached to the newsletter. Please return to school by MONDAY

Don't forget school closes on **THURSDAY 21st OCTOBER** and reopens
MONDAY 1ST NOVEMBER

HARVEST FESTIVAL PICTURE WANTED

FOBAS would like BA pupils to design a picture to go on top of the Harvest Supper box. What does Harvest Festival mean to you? You can draw the variety of food we have, how it has been grown, the journey your food has been on to get to your plate. You can draw the people, the jobs, the weather we need for food to grow, the machinery, the food we eat, whatever you think might make a lovely picture to go on the top of the Harvest Supper box and help people to appreciate food. We will then use some of the designs to print onto the harvest festival boxes which are available to order through FOBAS or here [Harvest Supper Box - Thursday 21st October \(google.com\)](#)

Your design can be scanned or take a photo of the design and email it to... FriendsOfBurtonAgnesSchool@gmail.com by **Monday 19th October** • please hand the original to reception so we can put a scan on the box lid

Please keep the design inside the 17cm x 17cm box below - good luck to all pupils
