BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs Jameson

A big thank you to everyone who came to school bearing their spots and stripes for Children in Need today and for the donations we received. Children in Need supports many worthwhile projects that help children in the UK to have a better life and access opportunities that they might not have otherwise had. The children have had a great time and their teddies had fun too.

This week we have also been thinking about Remembrance.

In keeping with our Hidden Treasures theme, we welcomed back to school Captain Stuart O'Hagan who came in to talk to the children about his own treasures, medals that he has won by brave service over the years. He also brought in medals belonging to his grandfather.

In keeping with tradition we observed silence at 11 o'clock and remembered soldiers past and present.

A Treasure from the Past visits Class 2

This week the children in Class 2 took a step back in time and entered the Victorian era.

As part of their Hidden Treasures topic the children have been thinking about treasures in our community and people who help us. Nurses had been identified as a helpful group and the children have been comparing nurses today with nurses from the past.

Having already learnt about the work of Mary Seacole in the Crimean War through Black History Month, the children learnt about another famous Victorian nurse, Florence Nightingale

and had a personal visit from the lady with the lamp who told them all about her work.

Nursery Stay and Play

Many thanks to all of the families that were able to join us for our stay and play session.

Hopefully you got a lot from seeing your child in their setting and chatting to the adults they work with. We certainly valued the time that we had to chat with you.

Donations for Christmas Fair

Please can you start having a sort out to see if you have any prizes that you could donate to school for the Christmas Fair tombola. Please send them into school at your earliest convenience.

Christmas is in the Air

Every year Burton Agnes Hall asks us to create a display as part of their Christmas celebration and we always welcome the opportunity to contribute to our local community. This year our theme is Christmas Carols and we have tried hard to use materials that are recyclable. All of the children have contributed to the display. If you get the chance go and have a look. It opens next weekend until Christmas. Many thanks to Mrs Lee Senior for planning it for us this year.

A Message From School Council

Thank you to everyone who has collected Stickers from Aldi. We now have enough to claim a free kit and enter the prize draw of

£20 000. Don't forget to send in any unwanted cuddly toys for our tombola at the Christmas Fair. Thank you.

Key Stage 2 go on a Treasure Hunt

The curriculum we deliver to our children aims to use our locality to good effect to deliver our learning. With the support of the Children's University, the children in Key Stage 2 have had the opportunity this week to find out about Hidden Treasures of Bridlington. The children learnt a great deal about Bridlington's history, famous landmarks and people who have influenced the towns development over the centuries. The children were fascinated to find out about people who lived in Bridlington and what they had achieved. The work carried out will support learning this term and throughout the year.

DINNER MONEY

We have a large amount of outstanding dinner money. Please could you check that you are up to date with your payments

Thank you

Please make sure that your children are in school and ready to start there learning at 8.55am. Gates open at 8.45 am.
