A Note from Mrs. Jameson

Welcome back to the Summer Term.

I hope that you all had a lovely Easter break and managed to enjoy time catching up with friends and loved ones as some of the lockdown restrictions were eased slightly to allow for this. As the children embark on their final term of what has been yet another strange year, I welcome them all back with an air of optimism. Hopefully as we work our way through the coming weeks and look towards the end of term, we are hoping to be able to carry out some of our usual activities such as sports day. They may not be in a format we have enjoyed in previous years but hopefully we will be able to celebrate these events in some shape or form.

This week you should all have received information about our Parent Consultations. We decided to delay the meetings, that usually take place in the Spring term, to early in the summer term to allow the children to have had time back in school. These conversations that we have with you are really important to us. Please ensure that you return your form so that we can have the opportunity to chat about your child with you.

A Taste of Mexico

As part of the work on learning about the Mayans, the children in class 4 put their culinary skills to the test this week and made food from Mexico. The children made and cooked tortillas, guacamole and even tasted Mayan hot chocolate—the chilli kick was not to everyone's taste!

Don't forget your child needs a coat in school.

Thank you

Lateral Flow Tests

Thank you for your continued support with Lateral Flow testing. Now that people are expanding their contacts a little more it is even more important to carry out these tests to keep our communities safe and our children in school. Please ensure you have a plan in case your child's bubble bursts.

After School Clubs

We are looking forward to after school clubs starting next week.

On Monday we will be offering cricket to Class 3.

On Tuesday Fiona will be running her sports club for Class 4.

On Thursday we have tennis running for Class 2.

We still have places available so if you haven't returned your consent form yet please do. We will text you to confirm that your child has a place.

All these clubs will run until half term.

School Uniform

We have a number of children in school that are currently wearing trainers. Now that shops have reopened please can you check your child's footwear and ensure that they are wearing black shoes. Thank you.

Fun in Early Years

Over the past few weeks we have welcome lots of new children in to our early years setting who are all settling in beautifully. Today many families found out that they had a place for **Reception** starting in September, which we are so excited about. **This year we still have a few places available so if you know anyone who was wanting a place but didn't apply because they were out of catchment—please spread the word!**
