February 2022**

BURTON AGNES C.E. PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

As we come to the end of another busy and productive half term I would like to take the opportunity to thank you all for your continued support. Teachers have enjoyed chatting with you all this week, sharing with you how well your children are progressing and how we can work together to support them further. If you have not managed to catch up with your child's class teacher, please get in touch. This opportunity is so important and valueable. The children have worked hard this term and are ready for their half term break. I do hope you all have a lovely time together. We will see you back in school on Monday 28th February.

Changes to starts and ends of the day

After the half term holidays we are going to try and return to a little more normality within school. From Monday 28th February we will be ending the staggered starts and ends to the day. We thank you for your support with this over the past 18 months.

FOR ALL CHILDREN

Morning—the gates will open at **8.50am**. Children will go straight in to school ready to start their learning at **8.55am** when the gates will close. Please ensure your children are at school for **8.50am**

Home time—the gates will open at 3.15 pm. Children will be brought on to the yard by their class teacher at **3.20pm**. Your child's class teacher will not release them to you until they have seen you.

The change to normal school times will mean that there is more traffic around school at the end of the day. Please take care with where you park. The zig zags are not for parking on, or dropping off, or collecting children on. They are there for the safety of our children. We will no longer be using the one way system and entrance and exit will be via the gate that you currently leave out of. This is the safest route due to the pedestrian barriers.

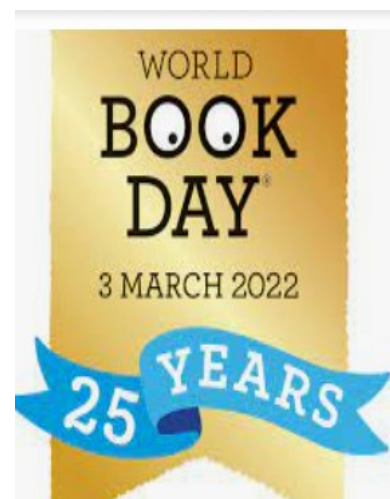

As always we require you to contact school if someone different is picking your child up.

World Book Day 2022

It's World Book Day on Thursday 3rd March. Join us in celebrating the wonderful world of books by dressing up as a character from your favourite book.

The aim of World Book Day is to offer every child the opportunity to read and love books. We hope that it will get all children excited about reading and encourage them to read for pleasure.

Over the half term holiday, have a think about what character you may like to be and take the time to enjoy a book.

Friday 8th April	School closes for Easter
Monday 25th April School Opens	

New payment system in school

We are pleased to inform you that from Monday 28th March you will be able to pay for your school meals online. We will be providing this service through Eduspot School Money, the same company that we use to deliver text messages and emails to you.

As soon as we go live you will receive a text message/email inviting you to download the free app to your phone and set up your details to allow you to pay online. There will also be an option to pay for meals on a computer/tablet rather than a phone. The system is very user friendly but we have also attached a parent's guide should you have any difficulties. This can also be found on the school website in the school dinners section.

If you do not wish to pay for your school meals online, you are still able to send your payment in to the school office in a named envelope as you have done before.

In time we will be looking to set up all our payments this way. We hope that this system will be a more convenient option to you as parents.

Please contact the school office if you require any further support or information.

Class 3 Ambassadors of Bridlington Visit

Just a reminder that on Tuesday 1st March Class 3 will be going to Bridlington to take part in Ambassadors of Bridlington. Your child will need to wear their school uniform, have suitable footwear for walking and a warm coat. They will also need a packed lunch and a drink. Thank you

Have a lovely half term break
