BURTON AGNES CE PRIMARY SCHOOL

Friday News

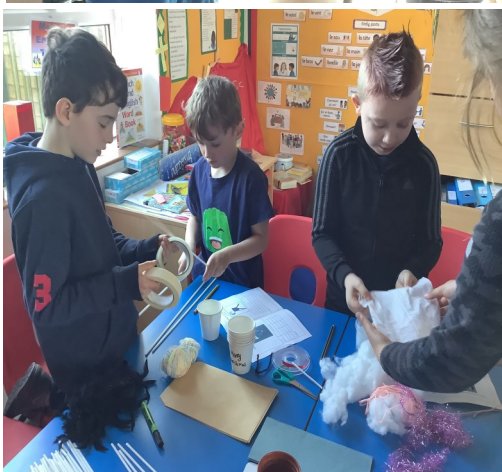

A note from Mrs. Jameson

We are always very proud of the curriculum that we offer our children here at Burton Agnes. All of our children take part in weekly, high quality, science lessons and are knowledgeable on all things science.

This week it is British Science Week and as always, we saw it as an opportunity to further promote this fabulous subject and the impact that science has on our everyday lives.

Today, across the school, the children have taken part in a wide range of exciting scientific activities. The children in Class 3 and 4 have expertly taught the children in class 1 and 2 and shared with them a wealth of scientific knowledge. We ended the day with a celebration of science with all of the children doing a presentation about what they have been learning. Class 1 blew us away with their knowledge about global warming and the impact of the ice caps melting. What Class 2 didn't know about growing things just wasn't worth knowing and Class 3 and 4 talked to us about the variety of investigations they have carried out with their friends across the school and the scientific conclusions they have drawn from this.

Diary Dates for Spring 2022

Tuesday 22nd Mach	Class photos
Monday 28th March	Reception and Year 6 pupils height/weight check
Wednesday 6th April—Friday 8th April	Year 5/6 residential to Carlton Lodge
Friday 8th April	School closes for Easter
Monday 25th April School Opens	

Red Nose Day

In true Burton Agnes style we all pulled out all of the stops to dress up and raise money for Comic Relief. Comic Relief is a fabulous charity that helps so many people in our communities. A special well done to class 1 who decided that they were going to come to school dressed as community heroes and paid tribute to the vital role these people have in our daily lives. Thanks to your generous contributions we are able to donate £99.20 to this fantastic charity. Well done everyone.

Tag Rugby

Last night some of the children in Year 4, 5 and 6 took part in a Tag Rugby tournament at Driffield Rugby Club.

The children got off to a flying start and convincingly beat Kilham. The following games were very evenly matched with a couple of wins and a couple of defeats. Despite not coming home with a trophy, the team played extremely well with everyone contributing significantly to the team.

Throughout the games the children showed great team spirit and superb sportsmanship, something that Mr Inns, the organizer, commented on at the end of the evening.

Well done to Joe, Isabelle, Maisie, Edward, Freddie, Jack (captain) and Harry. Many thanks to the parents who came along for their amazing support.

The next sporting event is the Cross Country Run for key stage 2 which takes place at Nafferton Primary School on Friday 25th March at 4pm and for KS1, the Cross Country at Driffield Junior school on Saturday 26th March at 10pm. You have received letters about these.

Keeping your children safe online

Our children are growing up in a completely different world to the one that we grew up in. With the growing amount of technology around and children with tablets and phones, have you taken the time to set rules for your children and ask them what they are accessing? Do you have limits to the amount of tablet time they have or the time that they put their phone away at night? Our school website has an e safety page that will provide you with links to useful resources that will help you to keep your children and other people's children, safe.
