BURTON AGNES CE PRIMARY SCHOOL

Friday News

A Note from Mrs. Jameson

What a fabulous end to a very busy week as all of the children in school dressed up for Children in Need. We spent time this morning raising the awareness of Children in Need and all the fabulous things they do. We explained to the children that it's not always about raising money that makes a difference to people but raising awareness makes a big difference too. We are thrilled to say however, that our caring little school, in these very difficult times, still managed to raise a HUGE £122.11. The children know that this will make a difference to someone, somewhere, in some way. Thank you.

Drop offs and collections

Just a reminder that our school gates open at 8.50 and children should be in class by **8.55 am**. We understand that occasionally things go wrong and we might be a little late, however we have families who are regularly late. Not only does it mean your child is missing the start of sessions but staff can't get back in school to do their jobs.

Can we also remind you that home time collection is 3.15 for reception and nursery children and 3.20pm for the rest of the school. Again, we understand that from time to time we run late but if you collect late on a **regular basis** please can we ask that you book them in after-school club. We can charge 50p per child until 3.30pm which is bookable via the app.

Thank you

Pupil of the Week

This week our Pupil of the Week is

Henry

Class 4

Congratulations

NURSERY PARENTS—Nursery will be closed on Tuesday 13th December. The nursery staff will be chatting with you next week to offer you an alternative session.

Tiddlers is back!

Our adult and child group will be starting up again on Wednesday afternoons in the school hall from 1.45pm to 3.10pm.

Cost £2 per session. Come along for crafts, singing, story and a chat. From 0 - 4. Please tell your friends.

School Photos

Please order your photographs online by Monday 21st November

TOMBOLA PRIZES REQUIRED.

Please send in any items that would be useful for the adults and children's tombola by Thursday 1st December.

Thank you

Electrifying learning from Class 4

The children in Class 4 are currently reading the WW2 novel 'Letters From the Lighthouse' by Emma Carroll. As part of the children's science lessons this term they have been learning about electricity. Over the past couple of weeks the children have been thoroughly engaged in making their own lighthouse which has a light in that turns on by a switch that they have created. The children, and Mrs Kemp are very proud of their creations.

Sports Hall Athletics

Yesterday all of the children in KS2 had the opportunity to take part in competitive sport with children beyond our school community. Competing against Driffled Junior School and Kilham Primary School, our children took part in a wide range of indoor athletic activities at Driffield Sports Centre.

All of the children from Burton Agnes who took part were exceptional. Not only did they show all the qualities of great sports people, the staff all commented on their exemplary behavior and how they were fabulous ambassadors for the school.

Hockey Tournament

The final hockey Tournament of this year took place on Wednesday after school at Driffield School. The children were against some strong teams and came second overall which is an amazing result, missing out on being champions by losing by one goal against Nafferton. Captained by Edward, the team showed great spirit and even lent players to other teams to make up the numbers. Congratulations to Edward, Maisie, Freddie, Harry, Beau, Jacob, Emma, Matilda, Joshua and Anabelle. Thank you to Mrs Short and Mrs Young who went along to look after the team and to parents who went along to support.

RURAL HOUSING NEEDS SURVEY
BURTON AGNES AREA

ARE YOU OR YOUR HOUSEHOLD LOOKING TO MOVE HOME?
WOULD YOU PREFER TO STAY IN YOUR LOCAL COMMUNITY?
IS FINDING AN AFFORDABLE HOUSE A CHALLENGE?

The information will be used to find out more about housing needs in the villages of Carnaby, Harpham, Kelk, Rudston and Burton Agnes and surrounding area, and whether small scale developments of new affordable homes for rent and for sale are needed in these rural communities.

If any of the above apply to you, please help us by completing the online Housing Needs Survey by scanning the QR using the camera on your mobile device. If you prefer to complete a paper survey, please contact David Siddle, on 07711 808298 or david.siddle@eastriding.gov.uk

CLOSING DATE 12 DECEMBER 2022

Come along for a play, song, story and a coffee.

Our sessions take place on a Wednesday afternoon 1.45pm to 3.15pm in the school hall.

Cost £2 per session.

For more information call us on 01262 490320

Come along and join the fun!

Covid Reminder

Children who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can return to school and resume normal activities 24 hours after they no longer have a high temperature and are well enough to attend.

If a child has a positive COVID-19 test result or displays symptoms including high temperature, fever or chills, they should stay at home and avoid contact with other people for **3 days after the day they took the test**. At the end of this period, if **a child has a high temperature or feels unwell, they should continue to stay at home and avoid contact with other people until 24 hours after they no longer have a high temperature and they feel well enough to resume normal activities**.

After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children tend to be infectious to other people for less time than adults. Children and young people who usually go to school and who live with someone who has a positive COVID-19 test result should continue to attend as normal. Contacts of those with a positive test result or children who have contact with someone with a positive test result do not need to stay away from school.

The same advice applies to **adults** but their isolation period is **5 days not 3**.

Please inform school of any illness your child has.

Scarlet Fever Reminder

What is scarlet fever?

Scarlet fever is a contagious infection which presents as a red rash and high temperature caused by bacteria (Group A streptococci). It tends to affect young children mainly. Prompt treatment with antibiotics usually prevents any complications. Treatment will also prevent further spread to others.

What are the symptoms of scarlet fever?

A red rash over the body that is often most obvious in the creases of the joints and over the chest and stomach. It usually appears white when pressed. The skin may feel rough to the touch, sometimes described as feeling like sandpaper. Someone with scarlet fever will also likely have a sore throat and swollen neck glands.

What should I do if I think my child has it?

If your child develops any of these symptoms please contact your GP and let them know that another child in the school has scarlet fever.

If my child has scarlet fever what should I do?

A GP will prescribe an antibiotic for your child. It is important that your child takes the full course of medicine.

Can my child stay in school?

Your child can return to school when they are well and **have finished one full day (24 hours) of antibiotic treatment**.

What can I do to prevent the spread of infection at home?

The bacteria are spread through contact with nose and mouth secretions so:

- Wash hands thoroughly after wiping your nose.
- Wash hands thoroughly before preparing food.
- Wash dishes well in hot soapy water.
- Do not share cups, straws, spoons, eating utensils etc.
- Do not share toothbrushes, clothing, bedding, towels or baths.

Complications

Children who have had chickenpox recently are more likely to develop more serious infection during an outbreak of scarlet fever and so parents should remain vigilant for symptoms such as a persistent high fever, cellulitis (skin infection) and arthritis (joint pain and swelling). If you are concerned for any reason, please seek medical assistance immediately.

Thank you for giving this your attention. Your GP will be able to answer any further questions that you might have about scarlet fever or can also visit: <https://www.nhs.uk/conditions/scarlet-fever/>

SAINT ANDREWS DAY

30TH NOVEMBER
