## A note from Mrs. Jameson

What a great time we have had in school this week.

The children have thoroughly enjoyed their Christmas parties, watching the pantomime that FOBAS kindly bought us and eating their delicious Christmas dinner today.

We also enjoyed our virtual carol service that we had in school on Tuesday. The children in class 4 beautifully told the story of the First Christmas, by the power of teams, whilst each class sang a carol along the way.

If you haven't had chance to watch the nativities that Class 1 and class 2 took part in last week, you can view them in the latest news section on the school website. They really are a treat.

Finally, this morning, the children at Burton Agnes had a socially distanced visit from someone special.

The children described it as 'amazing' and 'magical' Thank you to North Wolds Lions for making this happen. Santa delivered the children a special little gift from all of us at Burton Agnes.

Before we finish for Christmas, I just wanted to take the time to say some thank you's. Our Burton Agnes School Community is a very special one. Thank you to all the parents for your amazing support, your kind words have really meant the world to us and your sensible approaches to how school operates at the minute has made such a difference. Thank you to all our school governors who do such a lot behind the scenes to ensure school runs smoothly. A big thank you to the staff. I have an amazing team who, against the odds, have kept children safe and learning. Finally thank you to the children. They have been truly fabulous and have adapted to the new way school operates with ease. It has been a pleasure to see them happy, learning and thriving.

As this year draws to a close I think we have all begun to appreciate that the ordinary things that we all miss are not ordinary at all. They are very important and special. Merry Christmas.
