A note from Mrs. Jameson

This week we have been thinking about our school values of friendship, care and trust and linking them to anti bullying week. What a fabulous display of kindness the children at Burton Agnes demonstrated this morning, as every pupil came to school dressed up for Children in Need. We had some fabulous outfits ranging from very sensible to very funny. They looked amazing.

This kindness and generosity, some children brought in money from their money box and donations from neighbours, has allowed the school to donate £127.62 pence to this very worthwhile charity that supports children and their families in our local com-

We are busy finalising our plans for Christmas.

A letter will be with you next week regarding all thing Christmassy!

Please can you ensure your child is in school on time. If they are late they are missing out on their learning. Thank you

Digesting digestion

What happens to our food when we put it in our mouth and where does it go? Class 3 have all of the answers to this as they took part in a scientific experiment to illustrate what our body does with food. The children used technical vocabulary and were very good at explaining the different parts of the digestive system.
