A note from Mrs. Jameson

The children have continued to settle back in to school well this this week and are cracking on with their learning, which is a joy to see. It is lovely to seethe children happy, relaxed and eager.

On Friday the children supported the fabulous charity Comic Relief It was lovely to see so much support for this event. As part of our work on British Values, we feel it is important to support charities and to teach the children that is a great way of showing compassion and empathy towards others.

So far we have raised £156 thanks to your generosity. It is not too late to donate via the just giving page www.justgiving.com/fundraising/BurtonAgnesPrimarySchool Every £1 helps.

Thursday 27th May School closes for half Term

Friday 28th May Staff Training Day

Monday 7th June School opens

Friday 23rd July Leavers service TBC

End of Term

Monday 6th September Staff Training Day

Contact tracing over the Easter holidays

To help support with reducing the spread of Covid 19 the school needs to continue with contact tracing over the Easter holidays. This will be similar to the arrangements over Christmas. Parents and carers need to report if someone has develop symptoms of COVID within 48 hours of being in their education setting and have tested positive. This is to enable us to track and trace potential contacts within the school.

Where pupils test positive for coronavirus (COVID-19) during the holidays, having developed symptoms more than 48 hours since being in an education setting you do not need to inform the school. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace

Please use the email – burtonagnes.head.primary@eastriding.gov.uk to confirm any positive cases.

Lateral Flow Tests

Thank you for your continued support with Lateral Flow testing. The advice is that you continue to test over the Easter holidays. Thank you

Book Challenge

Many thanks to everyone who took part in this years extreme reading challenge where Mrs Claxton tasked you all with taking a photograph of you reading in a weird and wonderful place.

First prize, which was a £20 book Voucher, went to Seren

Second prize, which was a £10 book voucher went to Joe

Third prize again a £10 book voucher went to Charlie H

Runners up were Lara, Isabelle, Matilda B, Alfie, Henry, Edward and Isabella.

Don't forget you don't just need a challenge to read, so keep on with that reading whenever and wherever.

Class photographs

We have the photographer in school on Tuesday 23rd March to take class photographs. Despite working in bubbles we are still able to provide this service and the photographer will be following all of the covid guidelines. Please make sure your children are in looking smart and camera ready!

Mars Day

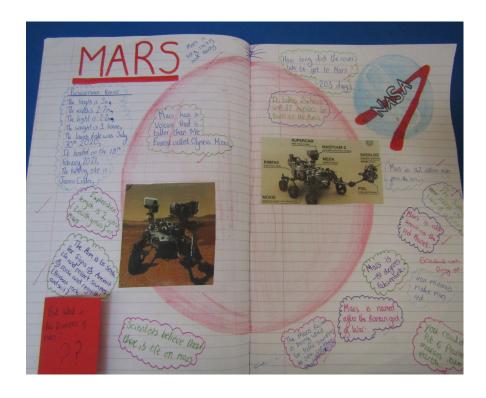

As part of British Science Week the children at Burton Agnes took part in Mars Day on Thursday.

NASA's Perseverance rover has had a busy first month on Mars's surface and we wanted the children to find out a little bit more. By engaging in Mars Day the children were able to listen to live chats from Tim Peake, take part in ro-

bokids activities and develop their knowledge and interest in all things 'space'.

The children in Class 4 produced these super information sheets. Featured below are Betsy's, Theo's and Darcy's.

For further information on Parent-led CBT support contact cwp@eastriding.gov.uk

What is Parent-led CBT (Cognitive Behavioural Therapy)?

Child Well-being Practitioners provide short-term interventions to parents and carers, in a 12-week programme, with sessions lasting between 1hr to 1hr 30 minutes, through a variety of virtual group-sessions and telephone support. The therapy is low-intensity, which means it does not interfere with day-to-day life, where possible. The programme is for parents and carers who would like to support their child in overcoming their worries and anxieties, and requires participants to access an evidence-based workbook, which should be completed between sessions, to better aid their child's progression. There is evidence that highlights this age group of children is less able to understand their own cognitions and physical sensations, hence the importance of alternative parent-led CBT support. The service can be accessed by any parent or carer, with a child aged between 7 and 11 years old, with an East Riding of Yorkshire address.

Easter Activities

This year our Easter Activities are slightly scaled back but we are still celebrating Easter and carrying out some, if not all, of our usual traditions.

Class 1

Please send your child in to school with 2 hard boiled eggs.

Your child will be using one for our egg rolling competition and the other egg for our egg decorating competition. The children will decorate their egg in school.

The children will also be taking part in an egg hunt and hot cross bun tasting (last supper) on Wednesday. If anyone has any allergies to chocolate or hot cross buns, please let the EYFS staff know ASAP.

Mrs Hamlet will also set the children a challenge for the Easter holidays: to make their own Easter garden. If parents could take photos of their gardens and send them into Mrs Hamlet, that would be great.

Class 2

Please send your child in to school with 2 hard boiled eggs.

Your child will be using one for our egg rolling competition and the other egg for our egg decorating competition. The children will decorate their egg in school.

Class 3

Please bring in 1 hard boiled egg.

Your child will use one egg for our egg rolling competition... Class 3 only need 1 egg as they are making Easter cards.

Class 4

Please send your child in to school with 2 hard boiled eggs.

Your child will use one egg for our egg rolling competition and the other egg for an egg scene. Children will make these in school but may bring in accessories from home to help.

All eggs and accessories (class 4) need to be in school on WEDNESDAY please.

We will be also holding an Easter Service via teams on Friday 26th March at 2.30pm which you are welcome to join us for.
