**BURTON AGNES CE PRIMARY SCHOOL**

# Friday News

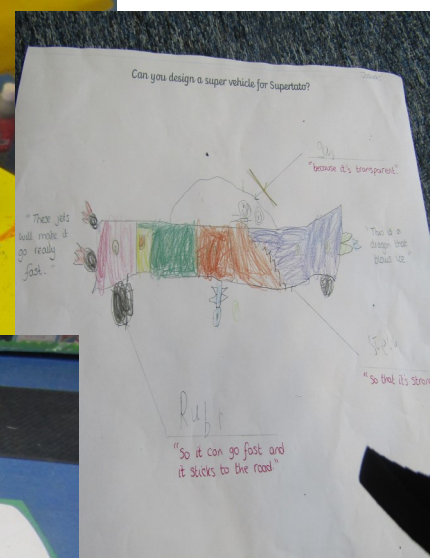

## A note from Mrs. Jameson

As another week draws to a close I really want to take the opportunity to thank my fantastic team at Burton Agnes for all of the hard work and effort they are going to in making sure school runs smoothly and children are happy and learning. As a small school we really notice the difference when bubbles burst and we are short of staff. We have all had to turn our hands to carrying out different roles in school whilst maintaining the high standards that we have come to expect at Burton Agnes. It really is appreciated.

I think that as a community we are all very aware of the significant increase in Covid 19 infection cases within the East Riding. Locally, we are in a very different position from where we were earlier this term and earlier this year and we need to continue to work together to face the challenges that may be ahead. We are hearing that many cases in primary schools across the county are linked to children being asymptomatic. If you have a family member who has tested positive, please can I urge you to get your child tested. Thank you all for your support in working together to keep our school community as safe as we can.

## Designers in the making

As part of our whole school learning theme 'Heroes and Villains', all of the children in school are being tasked with designing and making a vehicle for a superhero with each year group having a different level of skill that they need to include. This week Class1 have been putting their skills to the test. The children came up with designs and have all created these fabulous moving vehicles.

They even linked their computing skills to the task by designing a superhero logo to go on their vehicle.

Well done.

## **Thank you**

Today I received some lovely post, a cheque for £300 from North Wolds Lions. The money has been donated to help buy equipment for playtime. Currently, due to each class playing outside in their bubbles, we are needing to duplicate equipment for the children to play with. I will involve the school council in choosing some items and we will share with you what we have purchased. The children will be delighted. Many thanks to them for this generosity.
