A Note from Mrs Jameson

It has been another fantastic week at Burton Agnes. Over the past three weeks we welcomed new children in to our school and nursery and we look forward to getting to know them and their families. The rest of the children in school have continued to impress us with their sensible approaches to our routines and their positive attitudes to learning and Class 1 are so settled and amazing that they were awarded Class of the Week this week. A great start.

It has been lovely to hear from you all that children are happy to be back in school. Having a positive partnership between home and school makes a huge difference and I am excited about everything we can look forward to achieving and enjoying as a school community this year.

It was great to see so many parents visit school for the Reception talk with Mrs Lee on Friday. Families in class 1 and 2 will be receiving information about changes we are making to our reading system in school and at home and Year 2-6 will be receiving information about a new spelling scheme we will be using to improve spelling across the school. This will also have fun activities that the children can do at home to help improve spelling outcomes.

On Friday we sent out Curriculum Overviews so that you as parents can have a greater understanding of the learning that your child's class teacher has planned this term. If you did not receive this, please let us know as it is essential reading to help you to support your child.

Cross Country

Competition

On Monday evening the Driffield Schools Sports Partnership organised their first event of the school year, the termly Cross Country, hosted in the idyllic setting of Sledmere House. There were four races during the evening, over a challenging course that consisted of long grass and one seriously steep incline. Around 80 athletes took part.

Congratulations to Piper who came 4th in the year 3 and 4 race but was the fastest year 3 and to Emily who came 2nd in the Year 5 and 6 race. Emily will now go through to the East Riding Finals at Hornsea School on Tuesday 22nd October. Well done to both of them.

Good luck to our footballers who will be taking part in a tournament at Driffield School on Wednesday evening and thank you to Mrs Young who will be managing the team.

Friday 20th December	Carol Service at St Martin's Church 2pm

END OF TERM

Pen License Owners

As part of our commitment to our school values of friendship, care and trust we encourage children to care about how they present their work, particularly their handwriting.

Having a neat style of handwriting helps us to make sense of what we have written, spot our mistakes and generate pride in our work.

Alfie, Amelia and Cooper are the first children this academic year to receive their pen license, a recognition of how hard they are working to present their handwriting beautifully. They now are the proud owners of a pen to write with in class.

Congratulations.

Home School Values

Each half term at Burton Agnes we focus on a Christian value which we think about during our worship time and try to live it out through our actions. This half term our Christian value that we are focusing on is thankfulness. Attached to today's newsletter is an activity sheet for you to read and work through with your child. If you do any of the activities, please feel free to send them in to school for us to look at in Worship.

Friends of Burton Agnes School (FOBAS)

The Friends of Burton Agnes Primary School, known as FOBAS, is a voluntary group run by parents and friends, to raise additional money for equipment and treats for the children and the school. Item in the past that they have raised money for include new markings for the playground, the whole school visit to the pantomime and visitors coming in to school.

We have been very fortunate that FOBAS has recently given us funding to be able to purchase a class set of table top hobs and pans to allow children to be able to actively be involved in cooking which is part of the DT curriculum. We are very grateful and we are looking forward to using them fully throughout the school year.

FOBAS are now busy raising money so that we can all have our annual trip to the Pantomime at Christmas. The first of their money raising activities

will be the Harvest Supper that will take place in school on Tuesday 8th October at 5pm. This is usually a lovely social evening for children parents, friends and families to join together, catch up and eat delicious food. We will be sending out full details on Monday so please look out for it in your child's book bag.

FOBAS have already got £200 in the Panto Pot thanks to a kind donation from North Wolds Lions who came in to school today to present a cheque for £200. We are very grateful for this generous donation.
