BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

Thank you all for your support and understanding on Wednesday when we had to close the school due to boiler failure. Closing a school is not a decision that I enjoy having to make. It has a major impact on you as a family and school staff too. It is far easier and much nicer to have the children in school learning. Over the past weeks and months we have done everything possible to keep the school open at times when staff numbers were low due to covid or covid cases in classes have been high, so you can imagine how frustrated I was to close the school due to machinery! Many thanks to those of you who managed to engage in learning at home. We fully appreciate that trying to juggle work, childcare and other things means that this is not always possible for some.

Your School Council Needs You!

We are delighted to announce that our new school councilors, pictured below, have set their first mission for you all. Linked to our Whole School Curriculum Theme, 'Our Amazing Planet', the children have written to you all asking you to recycle your old printer cartridges. The children are asking you to send in to school any printer cartridges from standard home printers (not laser). They will then send them to the charity, Recycle4Charity, who will send us money in return which will go into school funds. It's a great idea, it will help save the planet and help the school. The recycle box is in the front entrance of school. Start saving now!

Scooter Training

Just a reminder that Year 2 pupils will take part in scooter training on **Monday 24th January**. If you haven't yet returned your consent form please can you. Your child will need to bring their scooter and a helmet to school on that day. Scooters can be left under the window by Miss Hagstons' office. Thank you.

Old Jeans

If you have any old, clean, unwanted denim jeans, please send them in to Class 4 next week as they need them for their DT project. Thank you.

Burton Agnes CE Primary School
Rudston Road

Email: burtonagnes.primary@eastriding.gov.uk

Due to the cold temperatures outside and the windows being open for covid ventilation the classrooms have been a little chilly this week. Please feel free to send your children with extra layers.

Diary Dates for Spring 2022

Friday 8th April	School closes for Easter
Monday 25th April School Opens	

From Monday we do not require you to wear your face mask on the yard. Thank you for helping to keep us all safe.

New guidance on Self isolating—Reminder

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.
