## A note from Mrs Jameson

We have had a very enjoyable and productive couple of weeks at Burton Agnes. The children have all settled in beautifully now and have established excellent routines and attitudes to their learning. Like the Wise Man in the Parable of the Wise Man and the Foolish Man, they are listening to good advice and living out our school values in everything that they do.

I was incredibly proud of some of our Year 6 pupils who did a remarkable job of pitching to the rest of the school in a bid to be this year's House Captains. The children confidently delivered presentations that they had prepared to the rest of the school. They explained why they would make a good House Captain and what they could offer Burton Agnes pupils if they were voted for. The children had a very hard decision to make. The votes were counted and they were very close. This year our house Captains are

St Cecilia—Evie

St Martin—Evelyn

St John—Elsa

St Peter—Harry

Well done to everyone who took part. You were all amazing and a credit to Burton Agnes Primary School.

## Fitness Fun

On Wednesday it was National Fitness Day. As part of our effort to promote healthy, the pupils at Burton Agnes took part in an online fitness activity that many other schools across the country participated in. It was lovely to see the children engaged and having fun.

## Special Mentions

---

Most Friday afternoons in school we hold our Special Mentions Worship. This is a special celebration of the week and a thank you for our children and school community. During this time we award special certificates such as Pupil of the Week, good work awards, VIP awards for children who show our school values in practice (VIP) and gold stickers for outstanding behaviour. Children are welcome to bring in certificates from home if they have achieved things in clubs outside of school. Parents are welcome to attend this Worship and we welcome younger children too but ask if they can be taken out if they get too vocal!!! Due to the number of children in school, number of parents attending and lack of space in the hall, we split the visitors on a fortnightly basis. Information about this can be found on the diary dates section of this newsletter. We do hope you can join us.

## Ladies in Pigs

---

As part of our Hidden Treasures topic this term, we welcomed in to school today some local treasures called Ladies in Pigs. Ladies in Pigs are a group of local farmers who are passionate about what they do and spread the word by teaching children how to cook. Today the children have all made sausage rolls of some description from scratch, including making the pastry. They have also learnt about farming and livestock. The Ladies in Pigs were really impressed with the children's manners, attention and behaviour. Well done everyone and thank you to the Children University who funded this project for us.

## Congratulations

---

Did you know that Burton Agnes Primary School had an Equestrian Team? The Equestrian team is made up of Felicity in Class 4 and her pony. Not only has Felicity qualified for Horse of the Year Show but at the weekend she came 2nd and 4th in events against other schools and has qualified for the next round. Well done Felicity.

## Parking

Please can we ask that everyone is considerate to the residents that that live around school. We are very fortunate that, unlike most schools, we have our own car park. The garden centre/ nursery car park does not belong to school, however they are happy for us to park in there if we do not block access, such as allowing space for delivery trucks to come in and out and not blocking the garages that belong to residents.

Please can we all make sure we are respectful of where we park. Please can you also pass this message on to others who may drop off and collect your children. Thank you for your co-operation.
