Friday News

A note from Mrs Jameson

Across the school this week children have been really getting stuck in to their new learning. Not only have the children been knuckling down to their maths and literacy work but there has been lots of interesting activities taking place across the curriculum.

As I walked around school this week I saw Class One using unwanted rubbish, particularly those nasty plastics, to create some beautiful art.

Class 2 were showing me their fabulous music work. They were really good at keeping a steady beat and explaining to me what the term 'pulse' meant.

Class 3 have been using their topic on natural disasters to stimulate their ideas in dance.

They thought carefully about the movements and motions linked to a Tsunami and tried to recreate this through dance. There were some very creative ideas.

Some of the work in class 4 this week was linked to their work in design technology where the children are making bags from

recyclable materials. The children had some fabulous ideas. I really liked Franks idea to make a waterproof section in his bag for his swimming kit out of old swimming caps.

Dodgeball superstars

Last night Burton Agnes fielded a dodgeball team at the Annual Cluster Dodgeball Event. Fourteen teams entered the event and the children took part in fast and highly competitive games. The children demonstrated some excellent skills and great sporting qualities. Although we were not successful in bringing home a trophy the children should be proud of how well they worked together as a team, for the resilience they showed and for their honesty. Care, trust and Friendship all the way. Well done Sophie, Frank (captain), Isabella, Jamie, Bethany and Cam.

Wear Red Day

This week you should have received a letter from members of the School council who have decided to hold a 'Wear it red' Day in school on Friday 7th February. For a small donation, children can come to school wearing something red. Any money raised will go to the Children's Heart Surgery Fund at the Leeds congenital Heart Unit. The School Council will also be selling red juice and buns at break time so please send in a few extra pennies. Any donations of buns would be gratefully received. Many of you will be very aware that the unit at Leeds does an amazing job and it is a cause that is very close to our hearts at Burton Agnes. Please support it.

Looking after our Amazing Planet

Yesterday, all of the children in Class 2 went home with their very own bird box. The bird boxes had been very kindly made and donated by Bill, a friend of Mrs Baystons. The boxes will attract birds to our gardens. I am really looking forward to hearing what birds are nesting and hopefully it will inspire the children to take part in the Great British Bird Watch which will be taking place soon.

Any families who can't make good use of their box at home, please return to school and we will put them up around the school grounds.

Many thanks to Bill and Mrs Bayston for their kindness.

Friends of Burton Agnes School

The next FOBAS meeting will take place at 9 am on Monday 27th January in school. Everyone is welcome. Please join us if you can.

Eco Bricks

Many thanks to everyone who has been busy filling bottles to make eco bricks. We have had a few brought in to school but we need lots more so please keep up the good work
