# Friday News

## A Note from Mrs Jameson

As I walked around school this week I have been very proud to see high quality writing taking place in every classroom. The staff in school carefully plan so that the children are taught age appropriate skills and processes that are

essential for writing, they mix this with an exciting stimulus and then let the children work their magic (with guidance when needed!) From Reception to Year 6 children have produced some amazing written work, lots of which is displayed around school. Please feel free to pop in and take a look and a read for yourself. We are always keen to see writing that has been done at home, for any purpose. If your child has been busy, please send it in.

## Thank you

You may remember when we had our Open Day in March that the children in Class 1 had been busy making things to sell at their market stall. You were very generous with your purchases allowing the children to have some

money to spend on something for their classroom. The children worked with Mrs Lee and decided that they would like a new water tray. As you can see from the photograph the children are extremely happy with their purchase and wanted to say a huge thank you to you all.

## A Message from the School Council

The School Council want to encourage our school to help protect the environment. Lots of people bring drinks to school to enjoy with their lunch and they bring them in plastic bottles which are then thrown away. Please can we ask you to bring your drink in a reusable sports type bottle which can be taken home every night and washed. These bottles can be used for drinking with, not for spraying people with and can be bought for just a few pounds. In the long run this should be cheaper than buying bottled drinks every week. Thank you. Written by Darcy.

## Change to Menu

Please note that the Monday Pudding of Toffee Apple Crumble will now be Eves Pudding and the apple will be served on the side. Thank you

## Carlton Lodge

Don't forget Payments can be made every Tuesday. We only have 2 weeks until the balance needs to be paid. Thank you.

## Dinner Money

We have a lot of outstanding dinner money. Please can we ask that you settle up as soon as possible. Thank you.

## Smile Please

Yesterday the children in Class 1 and 2 had a visit from Dip-sy our tooth brushing friend. The children, with the help of Miss Clubley learnt all about

keeping your teeth nice and clean and the reasons why. They learnt, amongst many things, that up until the age of 7 it is important to use special children fluoridated toothpaste and have help or supervision with brushing your teeth and how important it is to brush at least twice a day.

## Sports update

We have, at last, found out the results from the Orienteering last week at Driffield School. Our team came 4th and Sophie came 1st. Well done everyone.

## East Yorkshire Parent Carer Forum and FISH SENDIASS Parent Carer Event

For parent carers of children and young people with additional needs aged 0 - 25 years.

A chance to meet other parent carers and gather information about services available to your family and an opportunity to participate in a question and answer sessions with professionals and services across education, health, social care and the voluntary sector. A buffet will be provided, including tea and coffee.
