BURTON AGNES CE PRIMARY SCHOOL

# Friday News

## A note from Mrs Jameson

Challenge and creativity has been high on the agenda this week as the children in Key Stage 2 have been learning more about the Egyptian way of life and the impact it had on our lives today.

We were really grateful to welcome Barry Lowe back in to school. Barry has worked with school before and is an expert on all things

STEM (Science, Technology, Engineering and Maths).

Barry challenged the children to make Egyptian Shadufs, but it wasn't as simple as that. They needed to work in teams and first build a structure that would stand and was strong enough to hold two cups of water. The children needed to use maths to ensure that the string was the perfect length to ensure the shaduf would do the job it needed to do. Patience, trial and error and skills of evaluation were called upon to get this piece of engineering to extract and transport water.

## Harvest Festival

We hope that you will be able to join us in Church for our Harvest Festival. For those parents new to the school, this takes place at St Martins Church in Burton Agnes on Friday 4th October at 2pm. The children come together to celebrate this Christian Festival and thank God for the food we have through songs, stories and rhymes.

We also ask for contributions of food

that we share out to the elderly people in our community. We would therefore appreciate any contributions of tinned and packet foods, biscuits etc. If you wish to send in fresh produce such as vegetables please can we have those on Thursday 3rd October. Please let school know if you know of any elderly people who would enjoy receiving one of these boxes.

## Thank you

Many thanks to everyone who came along and supported the Macmillan Coffee Morning or baked cakes. We really appreciate the support you gave. Your kindness and generosity allowed us to raise £ 100 for MacMillan.

## Change of date

Please note that due to unforeseen circumstance we have had to change the date of the Parent Consultation Evening. The date is now **Thursday 7th November**. Thank you for your understanding with this matter.

## Try a School Dinner Day

The school dinners at Burton Agnes are delicious. If you would like your child to have a try, particularly if they are in Reception or class 2 as you get them for free, please order a dinner on Thursday 3rd October. Mrs Thompson will be serving Sausage and chips with beans and sweetcorn and Chocolate sponge and custard or fruit or yogurt. Delicious. Please note that this is a change from the official menu.

## Congratulations

On a sunny, autumnal evening, at the beautiful Sledmere House, the Drifffield Schools' Sports Partnership hosted their first event of the year – their termly cross country event. With the going good underfoot, all four races were of a quick pace, with several future Mo Farah's on show! This was the best attended cross country since records began with well over a hundred athletes taking part!

Congratulations to all of the children who took part; Edward(8) Isabella (14) and Seren (5), who all came in the top 14 and special congratulations to Maisie who came 3rd in the Year 3/4 race and Lara who came 2nd. We are very proud of all of you and your fantastic achievements. Thank you to parents for taking the children to the event and to Miss B for being the school rep.

## Going shopping this weekend?

The school council would like to remind you to keep collecting the Aldi kit for schools stickers at . Ask people you know too for their stickers. There is a box in the school entrance to post them in. Thank you

## Ear rings

Please could we remind you that for safety reasons the children are not allowed to wear ear rings for PE. The best thing to do is for your child not to wear ear rings on PE days or alternately please send you child with micropore tape to stick over them or a head band like the rugby players wear. Many thanks for your support.

## Sale for School Funds

On Friday after the Church service ,Miss Clubley will be running a stall to raise money for school funds. There are some fabulous items on the stall that will make great Christmas presents at very affordable prices so please make the time to stop by and have a look. Thank you.
