BURTON AGNES CE PRIMARY SCHOOL

Friday News

A note from Mrs. Jameson

Welcome back! I can hardly believe that we have already reached the Summer Term. Time just seems to be whizzing by. I hope you all enjoyed a lovely Easter break and enjoyed sharing the warmer weather with each other. The summer term always brings with it exciting activities and events, some of which we have not been able to experience for quite some time due to the pandemic. These have been detailed on the diary section of the newsletter. Whilst we endeavor to stick to the published dates, from time to time we do have to change them, so please keep checking.

Starting from next week we are looking forward to welcoming parents back in to school to share our Special Mentions assembly on a Friday afternoon at 2.40pm. Special Mentions has always been a popular event and we are anticipating a large uptake. For the time being we will be running a rota for special mentions. Special Mentions is a family assembly, so we do welcome younger children but we do ask, if they get noisy, that you just step outside with them as it can sometime distract the main event! We will still be live on teams so that you can still watch if it's not your turn to be in school.

This Terms' Learning

This term our whole school theme is 'Postcards from the Past'. The theme ties together the learning that will be taking place in each classroom, all very much history and geography based. We will be sending home the curriculum overviews for each class which will provide you with more detail of the learning that your child will be engaged in. If you have any questions about what your child will be learning about, please feel free to have a chat with your child's class teacher.
