## A Note from Mrs. Jameson

This week we have had the opportunity to speak to many parents about your children, their progress and how we can all work together to support them. We really value the chats that we have with and thank you all for your time. If you still haven't spoken with your teacher please get in touch with school so we can book this in for you.

This week we have begun our new topic in school 'Beyond my Window' and all of our learning across the school will link to this over the course of the term. Our whole school topic always stimulates lots of interest as the children are always keen to share what they have been learning about linked to the theme. On Monday we will be sending out the curriculum overview for your child so that you can have a full understanding of what your child will be learning about from now through to the end of the summer term. Exciting stuff!

## Sun Safety

It may feel a little early to be discussing safety in the sun given the temperatures we have experienced this week but here is a little reminder about how we can look after our children in school on hot sunny days.

We try our best to keep the children safe from the sun and provide them with shady areas wherever possible. **Putting all day /8 hour sun cream on before your child comes to school and sending them with a hat is definitely the best course of action.**

If you require children to reapply sun cream in school, then please send it in to school in a bottle with their name on ( not spray ones please). We are unable to apply the sun cream for your child but will supervise if need be.

We are also happy for your child to wear sun glasses, but again please name them. We can't take any responsibility for loss or breakage.

## Showing Courage

This term in our collective Worship we will be focusing on the Christian Value of **Courage**. Being courageous can mean different things to different people and over the course of the term we will be thinking more deeply about this. This week we have been thinking about having the courage to do the right thing and to listen to guidance from others to help us to do this.

This week we have sent home our Home School Values activity sheet all about courage that you might enjoy looking at as a family.

### **Test & Trace Support Payment**

From 8 March 2021, parents or guardians who are not legally required to self-isolate can apply for a Test and Trace Support Payment or discretionary payment if they need to take time off work to care for a child or young person who:-

- *is aged 15 or under (or 25 or under with an Education, Health and Care Plan (EHC)) and normally attends an education or childcare setting*
- *has been told to self-isolate by NHS Test and Trace or by their education or childcare setting because they have been identified as a close contact of someone who has tested positive for COVID-19*

The Local Authority is responsible for verifying the self-declared information provided in the parent or guardian's application. This includes checking the following:-

- *the child's name, age and main address*
- *the child's first day of self-isolation*
- *that the child didn't continue to attend the education or care setting when they should have been self-isolating*
- *whether the communication from the education or care setting is genuine (if this has been submitted by the applicant)*

For full details of the scheme and eligibility please call Benefits contact centre on 01482 394799.

## Carnival time!

This week the children in Class 3 and 4 enjoyed carnival time. Class 4 looked at Mayan and Mexican style carnival and Class 3 looked at traditions typical of countries around the amazon rain forests. Great fun was had by all to make and create all of the items they needed to make their event special.

## Time for Cricket

As we are approaching the summer days and the sun is shining, it is the perfect time for everyone to be thinking about cricket! With that in mind I want to bring to your attention two of our national programmes that will be running at a centre near you! All Stars Cricket (5-8 year olds) and Dynamos Cricket (8-11 year olds.)

**All Stars Cricket** provides a fantastic first experience for all children aged 5-8 years old where they're guaranteed 8 weeks of jam-packed fun, activity and skills development. The programme is designed to introduce children to the sport, teaching them new skills, helping them make new friends and have a great time doing so.

With an emphasis on FUN! Children will learn fundamental movement skills including catching, throwing and batting. Soft balls and plastic bats are used by everyone and all participants are given their very own cricket bag full of everything they need to play the game.

Happening at a local club near you for 8 weeks! Find your local cricket club at: <https://www.ecb.co.uk/play/all-stars>

**Dynamos cricket** provides a fantastic next step for those graduating from All Stars Cricket and the perfect introduction for 8-11 year-olds new to the sport! Complementing junior cricket, Dynamos provides children with a more social offer focused on developing fundamental movement skills and applying them in an exciting game of Count-down cricket.

Every child who registers will receive their very own Dynamos Cricket New Balance t-shirt, personalised with their name and number!

## Drop off and collection times

Just a reminder about what time we are expecting you all to drop off and collect your children. We have had quite a lot lateness recently so please can we all try to adhere to the times. Thank you

Group	Who	Drop off	Collect
A	Class 4 and siblings	8.45 am	3.15 pm
B	Class 3 and siblings	8.50 am	3.20pm
C	The remainder of class 1, 2 and nursery	8.55 am	3.10 pm

Please remember that school is closed on Monday due to the May Day Bank holiday. Have a lovely long weekend, please stay safe and we will see you all on Tuesday .
